VOL. XX JAN. 1983 Issue # 1

I O W M C #A853

WARREN BAILEY

ETTERS, PENNSYLVANIA

As many of you know, the wooden money collector and expert in our family is my wife Rusty. While I enjoy the hobby my role is generally behind the scenes working with Rusty and other collectors on behalf of wooden money organizations. I suppose this limited activity as a collector is why I resisted Barbara's requests for this portrait for so long.

Although not a recognized collector myself I have enjoyed friendships with the best of them over the years starting with the "King" in Drums, Pa., the "Queen" here at our house, the "Prince" in Balston Spa, N. Y., and many other Very Important People in the hobby including your portraits Chairlady Barbara Trace. I often recall the good times at wooden money events and remember how nice the collectors are in Michigan, Massachusetts, New York, Pennsylvania, Maryland, Virginia, South Carolina, Kentucky, Nebraska, California, Arizona, etc.

Early retirement in 1972 at the age of 51 gave me the opportunity to attend many wooden money functions at the national level. For the past six years my activities with wooden money and the people associated with the hobby have been limited primarily to the Central Pennsylvania area. I am getting very anxious to get back to national activities to renew old friendships and to begin new ones. Wooden Money collectors are my favorite people and the hobby is second only to golf.

Submitted by Barbara Trace,  
Portrait Chairlady

FAREWELL, GOOD EDITOR ... It was a very sad day for me when Harold Schmal's letter arrived last October informing me that this January CHIPS will be his last one. While we all will miss our Editor as Harold has been as faithful and reliable as the Rock of Gibraltar, we also realize that a person needs to live a private life after giving many years of service to his various interests. Stay healthy, Harold, and live a long life to enjoy it.

OUR WONDERFUL MEMBERS ... Am so thankful for the many good friends I have in IOWMC. I needed immediate help to insure "safe passage" until portraits would start arriving. In answer to my S.O.S., Dr. Mildred Bulpitt (#572) and Warren Bailey (#A853) replied with December and January portraits which put me on "Easy Street." Also appreciate the other requests that soon followed. Makes a gal feel great to know that there are friends "out there" who will assist when the going gets rough. Dr. Mildred Bulpitt is a very active executive. It is busy, successful people who find time to do more when asked.

HELPING A FRIEND IN NEED ... From this January portrait, I'm sure you can judge that Warren Bailey is a quiet, retiring type who finds it difficult to write about himself. He is an exceptional man who gives much of his time and knowledge to the wood hobby. It is people like Warren who separate the men from the boys. Clubs could not survive without these workers. He set aside his personal feelings and extended a hand of friendship when called upon. Dr. Bulpitt and Warren Bailey ... THANK YOU!

A LADY AND HER WOOD ... That's Rusty Bailey (#494), our Queen of Wood. She, King Kramer and Tex Ryder Prince of wood received their crowns in 1974 and have been wearing them proudly ever since. I doubt Rusty could be toppled from her throne. She has a huge, magnificent collection. She dreams, eats and sleeps wood. I know of an instance when Rusty purchased \$2000 worth of woods at one time. Along with her magnificent collection, she is a lovely lady. You can't beat the Bailey combination.

A KING AND HIS WOOD ... The King was asked to display and give a talk on wooden money at an unusual place. It was for 32 patients at the Lutheran Home in Hazelton, Pa. King Clarence Kramer brought along ten huge cases of wood plus smaller displays and arranged 32 packages of wood etc. for each patient. Needless to say, he came through a beloved man with flying colors. The staff and the patients sent a most grateful letter after this affair was over to our King for the displays, lecture and gifts. Another lonely day was turned into a beautiful, happy day for 32 very elderly and ill patients. Bless you, Kramer.

FOR 1983 AND ALWAYS ... Peace, health and happiness is wished for you and yours!

## PRESIDENT'S MESSAGE

HOPE EVERYONE HAD A MERRY CHRISTMAS AND A VERY HAPPY NEW YEAR.. IF ALL MEMBERS HAVE MADE A NEW YEAR'S RESOLUTION TO WORK TOWARD THE BETTERMENT OF IOWMC AND TO BRING IN ONE NEW MEMBER, WE COULD MAKE THIS THE BEST YEAR YET.

WAYNE DENNIS IS IN CHARGE OF THE SAN DIEGO MEETING AND WE ARE TRYING TO WORK OUT ARRANGEMENTS FOR DINNER THE NIGHT BEFORE THE GENERAL MEETING AND HOLD OUR ANNUAL AUCTION AT THAT TIME. IF YOU HAVE ANY SUGGESTIONS OR IDEAS LET WAYNE KNOW.

WALTER SCOTT IS PUTTING OUT CHIPS THIS MONTH FOR ME. OUR NEW EDITOR HOPEFULLY WILL HAVE BOARD APPROVAL AND WILL BE ABLE TO TAKE THE JOB IN TIME FOR THE FEB. ISSUE. I HAD TWO REPLYs FOR MY CALL FOR HELP, MY THANKS TO BOTH MEMBERS.

IT IS WITH GREAT SORROW THAT I MUST REPORT THAT PAST PRESIDENT AND LIFE MEMBER #6 EARL O'CATHEY PASSED AWAY THIS PAST NOV. OUR SYMPATHY GOES TO HIS FAMILY, EARL WILL BE SADLY MISSED BY MEMBERS AND FRIENDS.

A HAPPIER NOTE, FOR YOU MEMBERS WHO HAVE MET OUR CHILDREN, TERESA #1 DAUGHTER PRESENTED US WITH OUR FIRST GRANDCHILD.

REMEMBER LET'S ALL GET A NEW MEMBER THIS YEAR AND START MAKING YOUR PLANS NOW FOR OUR ANNUAL MEETING IN SAN DIEGO.

DOROTHY C. MACK

## TO ALL YOU WOOD COLLECTORS

Collecting wooden money is an interesting and affordable hobby that can be treated as a fun thing and not worry too much about investment or security. It has been recently brought to my attention that there are many people out there who collect wood but do not belong to one of our wooden money clubs. Perhaps one reason for this is that we are not publicizing our hobby enough. I think we should be attempting to reach not only these people but others who are not aware of wood or its potential as a collectors item. To do this we all need to get into the act. Display your wood and make presentations in your local area. Those of you who have a gift for writing, write an article for your local or community newspaper. I am not a writer & I find it difficult to even write a letter, but I know there are many of you that do have the ability and even like to write. It is a great hobby and it is going to get better, but we need to make it known to others. I would like to request from those who write an article about wood, if they care to, please send me a copy along with their permission to use it in other areas. In writing articles or making presentations be sure to mention and tell something about IOWMC. Talk wood to anyone who will listen. Thanking you in advance for making our hobby better.

FIRES HALT PROGRESS OF IOWA TOWN

CLEMONS, IOWA

It was because of the death of a relative that William M. Clemons journeyed to central Iowa from his home in Decatur County, Ind. What he saw amid the prairie grass when he arrived was a vision of a town which today bears his name.

The family of Robert Elder, Clemons brother-in-law settled in the Marshall County, Iowa, area in 1851. Clearing the land, sowing crops and building a log cabin were difficult. Life was made even harder when Elder's son died in 1852. As if this were not enough, Mrs. Elder became gravely ill.

Upon learning of the youngster's death and Mrs. Elder's illness, Clemons decided to travel to central Iowa to see if he could be of help. After surveying the situation, he offered to buy the Elder home and the prairie land, which the family had called Elder Grove, for \$10 an acre.

His offer was taken, Clemons then had to travel back to Indiana to break the news to his family that they were to move to the prairie wilderness in central Iowa. It was not until Oct. 6, 1854, that the Clemons family arrived via a covered prairie schooner. By this time, Elder's wife had died.

The Clemons family renamed their new land Clemons Grove. They set to work farming the land, finding the work difficult and the need for nothing to be wasted. In fact, the prairie schooner became a grain bin. It was not long before the land began to prosper under the hands of the Clemons family.

The area was not growing as fast as Clemons thought it should. To help this along, he paid the railroad to build a depot and railyards along the Minerva creek. As he thought, once news of the railroad's coming was learned, the number of settlers coming to the Clemons Grove area increased.

Clemons' town was started in 1882 he constructed nine buildings around the depot, an elevator, drugstore, meat market, blacksmith shop, grocery store and four homes. A school was built one mile south of the creek which ran through the middle of the settlement. Because the creek's name was Minerva, Clemons wanted his new town to bear the same name. However, the settlers insisted it remain Clemons Grove.

Meanwhile, Clemons dream was coming true and the village thrived. By 1920 the town had numerous business, such as a telephone office, fire station, hotel, stock yards, a tavern, and many others. But disaster struck twice in the 1930s in the form of two devastating fires on main street. The village never built back to where it had been.

Today, Clemons is a quiet agricultural town with a population of approximately 180. It consists of one large grain elevator, a doctor, post office, a gas station, tavern, car wash and branch insurance office. The village located on County road 234, approximately 15 miles northwest of Marshall Town, is celebrating its centenary this year. It may not be as big as William Clemons dreamed it would be, but the prospering crops and the neat small village could not fail to please him. Clemons Grove issued a very nice wooden nickel this year.

# 438 Carl Pensyl

IT IS NEVER EASY TO FOLLOW ONE THAT HAS OVER THE PAST YEARS HAS DONE SUCH A GREAT JOB. HAROLD SCHMAL, HAS PUT OUT A TOTAL OF 36 ISSUES OF BUNYAN'S CHIPS, FROM OCT. 1979 TO DEC. 1982. THANKS FROM ALL OF US HAROLD, AND EXTEND THIS TO ALL THAT HAS HELPED YOU IN YOUR TASK.

DAVE MORICE  
IOWMC # 1527  
IOWA CITY, IA.

I started collecting coins in 1956 at age 10. When I was a kid collecting pennies, it seemed so pure. I did it because I liked it. Now the coin field is entirely different as we all know. During high school my interest in coins fell by the way-side. I was disappointed in the way numismatics was becoming an investor's game.

I attended St. Louis University, then the University of Iowa's Writers' Workshop, where I received an MFA in poetry in 1972. I write poems, plays and stories, and I draw. I've had three illustrated children's books and one book of poetry published. In September 1982 my cartoon versions of famous poems was published by Simon and Schuster and available at most book stores, titled "Poetry Comics."

Recently, my interest in numismatics has revived. (In tokens and woods mostly - properly termed "Exonumia"). I first learned about woods by ordering 50 different wooden nickels through a COIN WORLD ad. Am a member of TAMS and IOWMC.

I collect wood which commemorate artists, writers, poets, playwrights, dancers, singers, actors, musicians etc. . . . anyone in the fine arts from any era. Or arts festival wood. Do you have any for sale or trade?

Meanwhile, let the CHIPS fall where they may!

Submitted by Barbara Trace, Portrait Chairlady

# Wood collecting choices are up to individual

By Norm Belsten  
For the Courier

Well now, you think that you would like to collect wooden money, but don't know where to start. The first thing to find out is what's available to collect, next is to learn where to obtain the woods, and finally, the types of woods you want to collect.

Let's deal with what woods have been issued to date. If you are lucky, you may get your hands on Norm Well's Canadian Wooden Money Book however, this book, now out of print, is very hard to obtain. Norm has started to issue supplements to the book and it is hoped that in the near future a large revised catalogue will be printed. Most collectors use the numbers in Well's catalogue to list their woods by, and several lists of those numbers are available to collectors. In the catalogue woods are pictured and described as to color, size, no. issued, location issued, etc.

The next item to consider is joining a wooden money club, The Canadian Association of

Wooden Money Collectors, is a good bet if you intend to collect only Canadian wood. C.A.W.M.C. issues a monthly newsletter with a listing of new issues, where to write to obtain them, articles on wooden money and also keeps you abreast of the hobby. C.A.W.M.C. also has meetings where you can buy, sell, trade, or just have a discussion about wood. The fee is five dollars per year and those interested can write Mr. B. Watt, 1153 Northridge St., Oshawa, Ont. L1G-3P3 Cda.

Now that you know what is available and where to obtain it, the final and most important decision is what you want to save. There are many different types of collections, and it is up to the individual as to what they want to collect. The following are some of the ways collectors I know save woods.

## Country

Trying to collect every issue of Canadian wood made, however, is almost impossible because of some small or special issues.

## Province

Woods can be collected by State or Province or any group such as the Maritimes.

## Size

The most common size of wood is 38mm in diameter. However, a small wood known as a broom stock wood, 25mm dia. or large ones called spruce dollars, 80mm dia. also make a nice collection.

## Design

This field of collecting is probably the largest and most versatile, and features woods with pictures of trains, ships, buildings, animals, etc., on them.

## Specials

Woods issued for a particular reason like, Xmas, coin shows, centennials, or by stores like Dairy Queen etc. form an interesting collection.

The above are examples of ways to collect wood, but there are many more. The decision of what to collect, and how to collect it is up to the individual collector. For further information on collecting write Norm Belsten, 37 Neames Cres., Downsview, Ont. M3L 1K8

On November 18<sup>th</sup>, 1982

E. R. O'Cathey went to sleep, and joined his Lord.

He had dinner with his wife Opal, and his loved ones, who preceded him. Family and Friends rejoiced at his arrival and were happy to make room for him.

Those of us who have been left behind are sadden by his departure, but know we will join the Lord and E. R. at a future time.

His Son

Jerry O'Cathey

A PRAYER FOR AMERICA

O God may we always be proud to be Americans  
May the Leaders of our Nation have Faith in Thee  
May our Churches be steadfast in their Divine Duty  
May Law, Order, Justice and Love of God Prevail  
until The Supreme Grand Master of the Universe  
Rules from his Earthly Throne

AMEN

6<sup>th</sup> President C. W. M. A.  
21<sup>st</sup> & 22<sup>nd</sup> President 35 Color Club

## NOTE FROM THE EDITOR,

Had hoped to complete my term as Past President, before getting into another job in our club. Realizeing the importance of the news letter to keep our membership informed, will do my best to supply as much infromation as can be obtained.

In endeavoring to follow the rules set forth, request all imfromation and stories submitted pretain to the Hobby of Collecting Woods. Mostly 3 copies in differant shades has to be made to get the best copy of a wood, color pictures have to be photo copied at a cost of \$3 to \$7. News paper items mostly turn out good as the picture of Earl O'Cathey. Srinking as Geo Hills, Collectables is not prefered and close type prevents such. I will type as much as time permits even though very poor at such. If copy is sent close typed it will be appreciated.

Please forgive me for a while on being late, but efforts are being made to locate the best suppliers of material. Our Home Phone number is 1 - 301-398-0762 the best time to get me is at 10 P.M.

## CLUB FLASHES - CALIF. WOODEN MONEY ASSOC.

C.W.M.A. started the new year in style, with Past Pres. Wayne Dennis, who officially installed the following Officers and Board Members. President-Ray Adamson; Vice-President-William Tabor II; Treasure-Adam Fritzel; Secretary-Awanda Ayers and on the Board: Roy Robbins, Corky Ayers & Marleen Tabor.

All Committee Chairmen were announced, & volunteers for monthly refreshments and programs for several months was told.

Two new members were accepted: Mark M. McDaniel, Madison Heights, MI and Joann Wilson, Harbor City, CA.

A nice variety of exhibits were on display, with the winner being Nate Bromberg. Membership Drawing was won by Kenneth Wiegell Villa Park, Ill. and Attendance drawing was won by Joann Wilson, as well as the Half & Half drawing. Other prize winners were: Corky Ayers, Nate Bromberg, Wayne Dennis, Awanda Ayers, Ethel Adamson.

Interested person(s) can join C.W.M.A. by writing to Secretary Awanda Ayers, 2345 So. San Antonio, Pomona, CA 91766. Dues are only \$5.00 a year.

## I.O.W.M.C. WOODS/SOUVENIR PROGRAMS

As Chairman of selling I.O.W.M.C. woods, this is a reminder to all, especially to the newer members, still available some past issues of President's wood (with the exception of #8). Cost is only 50¢ each plus S.A.S.E.

Souvenir programs are also available for only \$1.00 plus 36¢ stamp. This programs depicts all wood issues from 1964 to 1978.

The "special" post card wood issued in 1982 to commemorate the ANA/IOWMC Meeting in Boston, MA sell for pre-cancelled ones cost is \$1.25; and uncanceled ones are \$1.00 plus S.A.S.E. The January, 1983 Numismatist featured this wood and requests are already coming in. We hope we do as well in selling these as we did the President's wood. If you do not have this wood, order yours now so you will not be left out. Write: Virginia Dennis, 18814 Florwood Ave., Torrance, CA 90504

## 1983 - I.O.W.M.C. RAFFLE

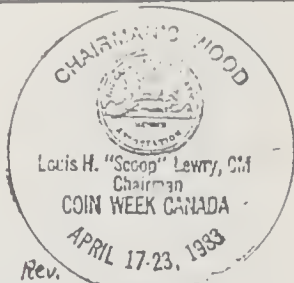

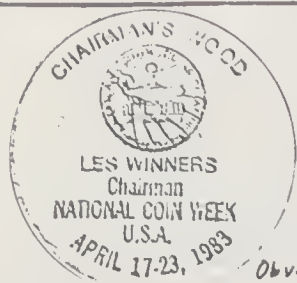

Pres. Dorothy Mack requested me to be Chairman of the Raffle Drawing for the organization. It is not too early to be thinking of this. As past Chairman of this, I appreciated all of your help and am sending out S.O.S. for your complete cooperation once again.

As in the past, I shall give recognition to all who will donate items or cash to make this a success. This is held to help with the increasing cost the organization is encountering.

I would appreciate hearing from you to let me know what I can expect from you in donations for the various prizes to be given. CAN I COUNT ON ALL I.O.W.M.C. MEMBERS? Write to me, please.

Virginia H. Dennis  
18814 Florwood Avenue  
Torrance, CA 90504

(P.S. This is our current address and we hope within three months to be at our new residence in Nevada. Will keep you all informed.)

EARL O'CATHEY, HONORARY LIFE MEMBER THREE ... It was truly a sad day when we lost a fine man, a most dedicated collector and a decided asset to our club.

EARL O'CATHEY ... This man was a fabulous collector. Where he found time to gather the thousands and thousands of items for what became his museum, I'll never know. Have been in this museum many times and always found it fascinating. It is a specially built huge room with glassed cases from floor to ceiling on three walls. The museum has its own kitchen, banquet size tables and chairs. For years the California W/M Association have used it for their monthly meetings with the compliments of O'Cathey.

EARL O'CATHEY ... Earned the love of all who had the good fortune to cross his path. Earl was the first California member I met after joining IOWMC. He welcomed me to the club and gave me a box of wood to get started. This was his every day way of doing things. His hand was always extended in friendship or to help if that was needed. There wasn't one unkind bone or thought in Earl. To say the least..."He was quite a guy."

EARL O'CATHEY ... When his name is mentioned it is said in great respect. Look up to heaven some night ... you might see him collecting the biggest and brightest stars shining down on us. .. It was a beautiful experience knowing this fine man.

JACK POT ... Clinton List again issued a round set of five Christmas woods with a Thanksgiving Round as a bonus. Very nice addition to Christmas woods' collections. Clinton List received the Literary Award for 1982 from his home club N.Y.S.W.M.S. I know the feeling and send congratulations. It is not unusual for woodies to issue two Christmas woods, generally a flat and a round, but a set of five is really a jack pot.

MARCH 1983

ISSUE 3

Mark Mogen

CALGARY, Alberta, CANADA

I.O.W.M.C. # 1403

Mark Mogen, born September 13, 1955, was educated in Calgary and is presently working for Merett Management Ltd., a property management company, as a commercial building operator. He has enjoyed the coin collecting hobby for many years.

Encouraged by his parents, Mark eventually joined the Calgary Coin Association (#384) in 1966. Since then, he has acquired memberships in The Canadian Numismatic Association (#11191), American Numismatic Association (#90264), the Canadian Association of Wooden Money Collectors (#108) and the Canadian Paper Money Society. He has been an active member of the Calgary Numismatic Society, with the junior program and most recently contributed to CNA Coin Week Canada activities. From 1975 to 1978 Mark served on the Club's Executive Committee as Secretary, Second Vice-President and First Vice-President.

In 1980, Mark joined the International Organization of Wooden Money Collectors. He became a member because he wanted to correspond with his many new American friends and to be able to acquire new issues for his collection.

With the growth of his collection, exhibiting became the most rewarding in numismatics. After attending a variety of shows throughout Canada, Mark was presented with the "J. E. Charlton Trophy" for best overall junior exhibit at the C.N.A. conventions from 1973 to 1975. The most honorable was the "Debbie Jane Gould Memorial Award" for the outstanding junior numismatist of the Canadian Numismatic Association in 1975.

Submitted by Barbara Trace, Portrait Chairlady

HAS YOUR 1983 DUES BEEN SENT TO SECRETARY ?  
Toni Cichy - 74 Thelma Irene Dr.  
No. Kingstown, RI. 02852

Errors are made as Barbara Trace, requested that O'Cathey's LM # be corrected. Earl, was LM # 6 not #3 Sorry, Barbara

Earl O'Cathey, willed his Wood Collection, to the Tenino WA. Wood Museum

Jan. "Bunyan's Chips" were mailed on Jan. 22  
The February Issue, was mailed Feb. 7, 1983

Clubs that are members of IOWMC: CWMA., CA. -  
NYSWMS., NY. - PWMS., PA. - TWMS. WA.  
Cherry Hill C.C., NJ. - Cone Jo Valley C.C.,  
CA. - Lets have some articals from you.

Glad to learn CWMA. got there P's & Q's together and remaining a active club.

NYSWMS. Has retained the same Officers for the 1983 Club year

A few PWMS. members miss there Monthly club meetings, (6) are still planned

Recieved several items on Wood Issues, but no infromation of where, how or cost to obtain. please endeavor to forward such.

The ad in Chips, on a Wooden Money Show, on June 3/4/5, 1983 at Niagara Falls, Canada. Hosted by CAWMC. Norman Wells, will be a good opertunity for a lot of WOODIES to get together and have a great time.

Dennis's reported 5 boxes of thier Woods - were damaged due to CA. heavy rains. This is the 3 rd time I've heard of such loss by Wood collectors. Lets try plastic jars or heavy plastic bags.

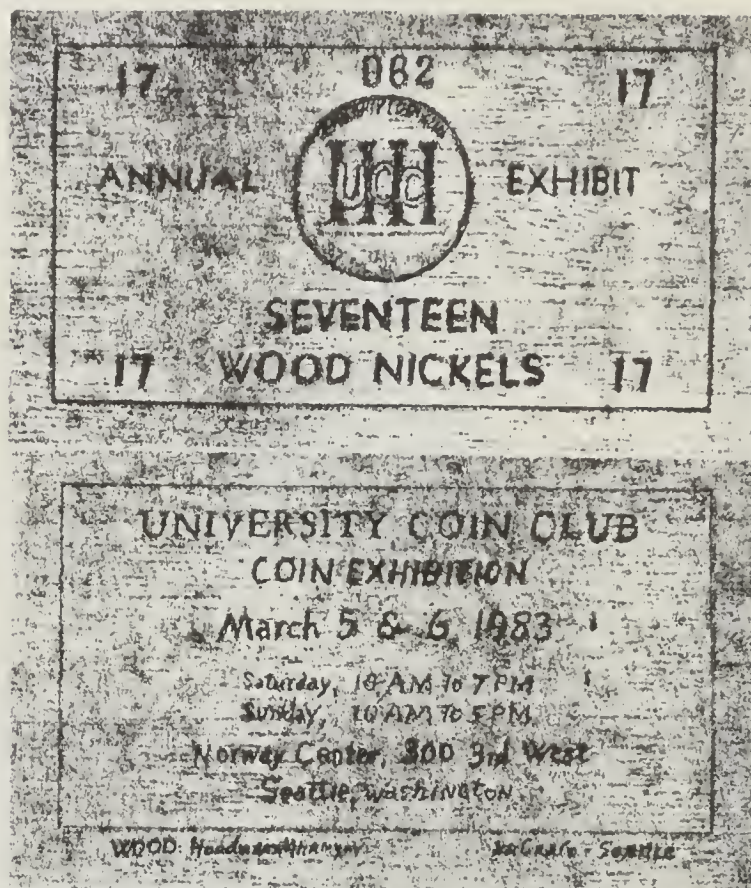

Regretted reading the ANA. placed Kenneth Hallenbeck, assistant to the Vice President on indefinate layoff, due to ANA. low funds. Since then have learned Ken, is running for a board position and the support of all the Wooden Money Collectors, that are members of the ANA. can be a great help in supporting Kenneth.

Dispite his not being a member, Ken, took time to attend the Wood Clubs, annual meeting and on several occasions was the auctioneer at the affair. If elected will continue to support the Wooden Money Hobby, in a positive way while on the board.

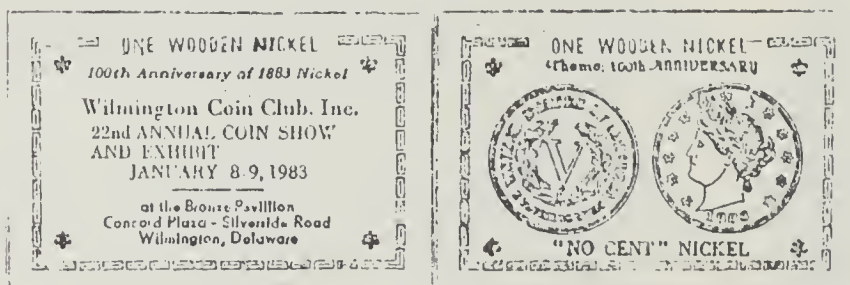

Our 1 st Vice President - Glenn Littrel, was recently inducted into the Sioux City, IA. College Athletic " HALL OF FAME "

Ripley, Believe It Or Not - A annual celebration is held in Japan, That the Priest throw pieces of rare WOOD into a large gathering of young men, the one that gets the Largest piece will become very rich.

PWMS. obtained Official permission from the State Committee to issue a Wood to commemorate Pennsylvania's 300 th Anniversary. The highlight of the event was when the chairman Rep John Pitts, arranged a presentation of a plaque containing the Wood to PA. Governor Thornburgh, on Janurary 13, 1983. PWMS. President Jim Jury, Warren & Rusty Bailey and Sara Elliott did the honors. Photographs were taken for news release and will be a big boost for the Wooden Money Hobby.

WA. 1983 University C.C. Wood Honduras, Mahogany, For their 17 th Annual show 50¢ each plus Sase. From: Les Albright 300 N.E. 91 st, Seattle, WA. 98115

De. 1983 issue, The event was covered by the Wilmington, DE. News Journal, paper and the artical was published 1/28/83. It started off with, Heads Up, Don't Always Listen when some one tells you not to take any "Wooden Nickels" and a short history on Tenino, WA. issue, them being scarce and costly to add to ones collection of numismatic items. The reporter was interviewing Jules Reiver(67) a leading Numis-matis and a the time Stan Brown one of our past presidents was near by most likely why Jules, put wood in the limelight.

# PRESIDENT'S MESSAGE

AS ALL MEMBERS KNOW NOW, OUR NEW EDITOR IS MR. WALTER SCOTT. SO FAR HE HAS PUT OUT TWO FINE ISSUES IN A VERY SHORT PERIOD OF TIME. REMEMBER HE NEEDS THE HELP OF ALL MEMBERS TO MAKE CHIP'S AN OUTSTANDING PUBLICATION. IT'S NOT THAT HARD TO WRITE AN ARTICLE ON A WOOD ISSUE OR IF YOU SEE AN ARTICLE ON WOOD/NEW ISSUE SENT THE INFORMATION TO HIM.

HAVE YOU MADE YOUR PLANS FOR SAN DIEGO? WON'T BE LONG AND IT'LL BE TIME FOR OUR ANNUAL MEETING. MR. DENNIS IS IN CHARGE THIS YEAR AND WE HOPE HAVE A DINNER/AUCTION BEFORE THE MEETING DAY. IF YOU HAVE ANY IDEAS SEND THEM TO HIM.

ONCE AGAIN I NEED HELP. I'VE SENT LETTERS TO TWO DIFFERENT MEMBERS TRYING TO GET A CHAIRMAN FOR AWARDS THIS YEAR AND HAD NO REPLY. IT'S NOT THAT HARD OF A JOB.

LET'S ALL GET A NEW MEMBER THIS YEAR AND HELP IOWMC GROW. IF YOU NEED MEMBERSHIP APPLICATIONS, WRITE OUR SECRETARY OR ME.

DOROTHY C. MACK

APRIL 1983

ISSUE 4

RICHARD H. ROBRON  
I O W M C # 1503  
PORT CLINTON, OH.

I have been married 43 years, am Dad to two daughters, and Grandpa to six grandchildren.

I was asked by a teenager how old I was and when I replied he said, "You're not old, you're ancient!" Ha!

I've been a native of Port Clinton, Ohio for 66 years. This area is located between Sandusky Bay and Lake Erie, and was referred to as the Black Swamp many years ago by the early settlers.

I spent my early youth caddying at the Catawba golf course on Catawba Island. I started stamp collecting when I was in my teens.

During the War years I worked at the Erie Ordnance Depot as a civilian employee, proof testing Tank Armament. I then finished my 25 years with the government as general foreman of the paint shop. Due to the phase-out of the depot in 1966, I took the semi-retirement at age 50.

I lost interest in my coin collection when the silver was taken out of coins, but continue helping other coin collectors. Recommended by a collector friend in Canada, I joined the CAWMC. The wood bug bit me and I now belong to ten wood clubs.

The collecting fever took over and I joined three token clubs and four match cover clubs. The IOWMC is one of my favorites because the ads give me a chance to increase my collection of woods. My collection of wood rounds and flats total over 500 pieces.

To finalize, I think you're all a fine pile of woodies.

Submitted by Barbara Trace, Portrait Chairlady

# New Designer Of Interesting Woods Featured in 1982 Supplement

By Jerry Remick IOWMC # 1476

"Canadian Wooden Money-Tokens and Souvenirs" Supplement No 4, March 1983, by Norman E. Wells is available from Norman Wells, P.O. Box 943, Peterborough, Ont., Canada K9J 7A5 for \$6.00 postpaid to those who purchased the second edition of "Canadian Wooden Money" issued in June of 1979.

The 60 page suppliment list 290 woods, mostly issued in 1982. A few new and unlisted oldies that came to light in 1982 are also listed. As usual woods are listed under the province in which they were issued. Each wood is pictured and the number of woods made for the issue is given where known as well as the date of issue, color and a rarity number.

26 pages are devoted to listing new woods from Ontario, whereas new Quebec, woods (12 - of them) are covered in 3½ pages. Remarkably all Quebec, woods are in English, with two being bilingual. So Quebecers how about a few more issues in 1983.

Perhaps the most interesting part of the booklet is a 10 page section devoted to the woods issued by collector and recently dealer Tyrone Lai, P.O. Box 233, Station D, Scarborough, Ont., Canada M1R 5B7. To some of his woods, Tyrone has added a subtle oriental design which is well carried out artistically. In addition many of his woods are of rarely used shapes for woods such as scalloped, starred, 6 sided, heart shaped diamond shaped, saw toothed, ect.

A recent issue is a attractive 40MM wood printed in black for "World Coin Week" April 17/23, 1983. One side shows flags of various countries around the edge with the event and date in the center. On the rev. is the inscription "World Coin Week" Canada, and in small letters "Tyrone Lai" Above this is the map of Canada, with musical notes on it. (Specimens are available to collectors.)

Tyrone is interested in haveing "Woodies" express thier opinion of his work. I feel that Tyrone, will be adding much artistic value to Canadian, wood issues of the future.

Lindsay, Canada, 125th Anniversary, 38 MM black,- Town of Lindsey, Ont. Canada, printed Around the edge and 125 Anniv. 1857/1982 and a maple leaf in the center. Obv. has Wooden 5 nickel, serial # and " The Finest Vacation Land in Ontario, Souvenir ". \$1.00 ech. or 3 for \$2. plus a addressed envelop and .35¢ postage or U.S. orders- from, V.W. O'Conner , 14 Sunset Court, Lindsey, Ontario, Canada, K 9 V - 2 S 1

Congratulations, to Col. John and Joy Parrish, in winning awards in the Kentucky State Numismatic, event Joy, also had a non-competitive exhibit of the "Gone With The Wind" woods issued at the first showing of the movie at Alanta Georgia.

## A DOVER, NEW HAMPSHIRE SAMBO'S WOOD?

In a texbook on Land Use and Control I came across a citation to a Supreme Court case involving Sambo's resturant. As you can see, the case involved a Sambo's in Dover, New Hampshire.

- Dick Bales

## WEEKS RESTAURANT CORPORATION

v.

CITY OF DOVER, Sambo's Restaurants, Inc. and Sambo's of New Hampshire, Inc.

No. 79-013.

Supreme Court of New Hampshire.

July 11, 1979.

Sambo's has sought approval for its plans to build a restaurant at the eastern corner of Central Avenue and Somersworth Road in Dover, on the perimeter of the Somersworth traffic circle. Weeks owns and operates a restaurant across Somersworth Road from the site, inside the traffic circle. At the several hearings held by the Dover

John and Joy Parrish with their awards.

## CLUB FLAHSSES - CALIF. WOODEN MONEY ASSOC.

Much activity and excitement was evident at the March meeting of C.W.M.A. Thanks to the effort of Awanda Ayers, Marleen Tabor, Ethel Adamson and Adam Fritzel, a surprise party was held for Wayne and Virginia Dennis. They were honored for their devoted service to the organization. The place was overflowing of many members and guests--some who haven't attended in many months. A beautiful crystal plate and fruit bowl was presented to the Dennis, along with individual gifts.

Among the guest present was Byron Johnson, Seattle, WA, who was delighted when invited to attend a wooden money meeting--his first in Southern California. Also present from Fremont, Neb. was member Xenia Kreizel. Others attending were Gene Kestner, Esther Bromberg, Ralph Marx, Thomas Fitzgerald, Jack Detwilder, Frank Ortiz, Joseph Scott, Joe Stanberry and Ruth Mitchell, all were guests.

Virginia Dennis was presented a Certification of Appreciation in recognition of service to Numismatics and the N.A.S.C. for her editorship of the club's bulletin, Wood Winds. The bulletin took 2nd place award at their recent convention.

Another highlight of the evening was the auction of some material from the late Earl O'Cathey's estate. It was a very lively auction with all but two items being sold. There will be an auction each month until all material is sold.

Each meeting an educational program is presented, various drawing: membership and attendance, exhibit and door prizes, plus a half & half drawing.

Interested person(s) can join C.W.M.A. by writing to Sec. Awanda Ayers, 2345 South San Antonio, Pomona, CA 91766. Dues are only \$5.00 a year.

\*\*\*\*\*

## IOWMC WOODS/SOUVENIR PROGRAMS

Just a reminder--still have past issues of IOWMC woods and souvenir programs. Past President's woods cost is only 50¢ each plus SASE. Souvenir program cost is \$1.00 plus 36¢ stamp. This program depicts all wood issues from 1964 to 1978.

The "special" post card wood issues are still available to commemorate the ANA/IOWMC meeting in Boston, MA - Price: \$1 for uncanceled ones and \$1.25 for pre-canceled issues.

These are available from Wood Chairman, Virginia Dennis, 18814 Florwood Avenue, Torrance, CA 90504.

\*\*\*\*\*

## 1983 I.O.W.M.C. RAFFLE

Do want to thank Kenneth Wiegel, Ray Allgood and a member who wants to remain anonymous, for their generous contribution to the Raffle Drawing.

Several other members have told me they will be sending me a box of wood shortly. The drawing of this will be held in San Diego at the annual business meeting.

More on this in months to come. All contributions and donations will be appreciated.

I have many different of the following and are for sale for 50¢ each.

St. Petersburg, Fl. 1950  
Erie, Pa. 1951

Just send a list of the ones needed and I just might have them.

Also send me your want list; I many extra woods and might beable to help out.

#### " COIN WEEK "

L.H.(Scoop) Lewry, invites all IOWMC. members to join in observing " Coin - Week North America " April 17 to 23, 1983. In 1983 the invitation was extended around the world and Mexico, has joined in for the second year. It is hopefull to establish "World Coin Week" as all young people must be encouraged that the age-long hobbie may continue. The 1<sup>st</sup> two of a series of six souvenir cards of obsolete Canadian money are avaiable for \$5.00 per pair. Also token ,coins, coupons, special paper money and Wooden tokens are avaiable for sale to raise funds to cover promotion of Coin Week.

To join in the affair and obtain items write: L.H.Lewry, P.O.Box 1982, Moose - Jaw, Saskatchewan, Canada, S6H-7N7

## Your Steadfast Hobby Guardian

The travel was time-consuming. Room and board was expensive. And corporate benefits were intangible. Yet, when Chet Krause and Numismatic News were asked to testify at the Olympic coinage hearings, they jumped at the chance to represent your hobby interests.

Before the smoke cleared, Chet and company testified on three separate occasions.

CHARLES C. HALSEY

Huntington, Indiana

I O W M C #1406

I was born June 15, 1903 in Huntington, Indiana.

Am a very modest collector of antiques, guns, and coins. My very first coins were three large copper cents which I still have. My very first coin book was from Max B. Mehl in the twenties which I still have.

My interest in foreign coins was heightened by acquiring various coins from foreign countries during service with the U.S. Navy during WW II. My coin collecting is now limited to proof sets and commemoratives. From there I have graduated to wooden monies of which I have a very modest collection.

Since having become an invalid due to a stroke ten years ago my activities have been very limited except for the enjoyment of CHIPS. Along with woods I also collect exnumia as friends contribute.

I have been a rock hound for several years producing jewelry after polishing stones. Am now unable to work with them.

We owned "Penguin Point," a fast foods restaurant in 1973 through 1976, hence the "Penguin" wooden nickel. I am willing to send my free penguin nickel to you upon receipt S.A.S.E. Charles C. Halsey, RR4, Box 126, Huntington, In. 46750.

I appreciate the honor you afford me of "fronting" on CHIPS.

Best regards to all "Woodies."

	Total \$210.84		

About 1850 a group of pioneers left the Eastern States and made their strenuous journey westward in their prairie schooners. They reached this territory now known as Wayne County, Iowa. They decided to settle on this land where the soil had never been turned by man; and native grasses grew luxuriantly. In general, the country was rolling, and the soil was a rich deep loam.

In 1851, this territory was organized as Wayne County, Iowa. It covered 525 square miles or about 336,000 acres.

1870, the Chicago & South Western Construction Company built a railroad through Wayne County. It was built without any local aid except for the donation of the ground for a depot. Soon after construction of the line it was purchased by the Chicago Rock Island & Pacific Company. This came to be the main line from Chicago to Kansas City.

The first house was built in 1871, as well as several businesses. Included was a post office, school house, hotel, court house, jail and churches.

Judge H. M. Aller, a railroad magnate from Leavensworth, Kansas, was instrumental in the building of Allerton. He was secretary of the Chicago Southwest Railroad Company. After ground was donated to build a depot, it was decided to build a town and call it Aller-Town after Judge Aller; but it was later changed to Allerton.

In August 1873, the court appointed five Commissioners to start proceedings for an election and decided if Allerton should become incorporated. The election was held late in 1873. Fifty-three people voted; forty-nine "for" three "against." The town of Allerton was incorporated in July 1874.

The first Council meeting was held November 7, 1874; then the official documents relating to the legal incorporation were recorded. This meeting dealt with setting up ordinances, taxes levied and streets named. The first street lights were installed in 1876. 1879 saw the first well (public) and hitching posts were installed in front of the businesses.

From this point to about 1930, new electric

light system replaced the old oil lamp. A telephone company was given a franchise and the Iowa Southern Utilities plant was municipally owned. A road grader was purchased and roads were built. In 1938 the town paid Hall Engineering Company to erect a water tower and install fire hydrants along the street. Later came drinking fountains and telephone companies; then in 1946 it was planned to gravel the streets.

1949 incandescent lumin two street lights were installed, mounted on cedar poles with overhead wiring that burned from dusk until dawn. 1954 the first street was blacked topped. 1956, new dial telephones were installed; 1972 a sanitary sewer system was approved; 1973 the local government had been re-classified by the State and Allerton had become known as City of Allerton - not town of Allerton.

In 1974, Allerton celebrated its 100th Anniversary. For this gala occasion there were many items issued as mementos, i.e.; book matches, pens, pencils and wooden nickels to mention a few.

The wooden nickels was the standard 1-1/2 inch wooden disc printed in blue. The obverse depicts an early steam engine that played such an important part in the early part of the life of the City of Allerton. These could be purchased from the Centennial Commission of Allerton, Iowa in 1974 for 25¢. Do hope that you were able to secure one for your collection.

Wayne Dennis  
IOWMC-HL #19

This is our fifth year to present a "WHOOING CRANE" Wood. Most of these have been in support of Coin Week North America.

Last fall, Amber and I took the "Whooping Crane" boat excursion to see first hand the majesty and the beauty of the giant birds in their natural habitat. On occasions we were able to come within thirty feet of the "Whoopers" feeding in pairs in the marshy green shallows above Matagorda Island. The U.S. Government just recently turned over these Islands to the State of Texas for future supervision. The birds appear exactly as shown on this years woods and bird watchers come from all over the country to the Coastal Bend to see the endangered specie.

The 1983 Coin Week Theme, "EXPLORING / OUR PROUD / HERITAGE", can easily be divided in thirds to identify one or all three supporting countries.

In America, EXPLORING the west led to the miracle of agriculture and then the Industrial Revolution provided the U.S. with the opportunity for a leadership role in the world today.

OUR PROUD neighbors to the south are fully aware of their strength in natural resources, including oil, minerals and scenic wonders. The Eagle and the Snake shown on the wood appears on the popular 8 Real from 1824 to 1897.

Nowhere has the HERITAGE of a country been so prominent as in Canada where they share a rich Franco-British culture and language. Canada has this year chosen Moncton, New Brunswick as the Numismatic Capitol of the country where they meet in July for there National Convention. The Half-Penny of 1843 began New Brunswick's search for a suitable currency. The ship pictured on the wood symbolizes the fishing industry that flourishes throughout the maritimes.

\*\*\*\*\* Glen W. Littrell #1385

#### C.W.M.A. HONORS THE DENNISES

The California Wooden Money Association, entertained two of IOWMC. members M.Wayne Dennis HM#19, and his wife Virginia #1130 to a very nice surprize party for thier dedicated service to club over the past 14 years. Both were Charter Members when it was Organized in Janurary 1969.

They both have retired after 30 years plus from thier jobs and will be moveing to Nevada, in the near future hopefully to enjoy thier new home.

Many attended were ones that they have not seen for months, one that was a big surprize was Byron Johnson, a leading numismatis from Seattle, WA. whom happened to be in the area at the time.

The meeting was called to order as usual and proceeded as normal untill the refreshment break, when a very delicious spread of food was brought out. When the meeting resumed Corky Ayers, gave a very nice tribute to the Dennises for thier dedicated service to the club. The groupe presented them with a crystal plate and bowl. Awanda Ayers, presented Virginia, a handmade shawl and Curly and Ruth Mitchell, presented Wayne, with a box of Woods, that proved to be replacement for many that were stolen several years ago from thier home.

March the 12th will surely be a evening long remembered by them and I'm sure all of us sincerely wish them much enjoyment being retired.

## ARIZONA WOOD ISSUES

Since we started in 1974 spending the winters in Arizona away from Pennsylvania cold and snow. The promotion of the wooden money hobby continues to help fill our days.

The first issue was the Lost Dutchman Days sets of wood in 1975 and each year since, and followed with Centennials. Each year an effort is made to find towns having celebrations, if possible a visit is made or write them to see if a wood is to be issued. Due to many not knowing of the wood promotion idea the answer is mostly "NO".

The offer is made that if they will supply a rundown on the early history of the town, we will give them wooden Nickels at no cost to commemorate the event and such will be a token of remembrance in the future for them as well as other generations.

Nearly all accepted this offer yet leaving a few that don't respond at all. Most all issues have been in sets and approximately 75 sets are sufficient to cover most of the cost of having them made up and take or send the balance to the committee of the event. Even though few acknowledge the gift the project is continued to always give those in the Wood Collecting Hobby new issues to enter into their collection.

After the first set is promoted the income is used to help cover the next issue. This method has been used by others in the hobby and plenty of openings for many others to try their hand at such in their state, county or area towns. The library or historical societies can be of great help, also C of C to find information. 1983 seems to be a poor one for celebrations in Ariz. but our efforts will continue.

Mark & Grace Wildasin

(Editors note; Mark & Grace also were very active on Penna. issues of the past.)

Valley Cottage, N.Y. 10989

## FOR SALE

The twenty piece set of wooden flats were issued for IOWMC's 10th Anniversary Convention, August 2, 3, 4, 1974 for the First ALL Wooden Money Show held at the Imperial House North, Columbus, Ohio. These Flat issues depict some of historical site or buildings in the State Of Ohio.

R. Coakwell, Zanesville, OH. recently mailed these to make revenue for IOWMC.

There are a very limited amount of complete sets (20 pieces); but available are some individual issues. Cost of a complete set is only \$12.50. The individual pieces are 35¢ each, plus a SASE. The complete sets will be sold on the first come basis, and earliest postmark will determine who receives them. When ordering individual pieces, order by the number on the wood.

NOTE; There are no Flat Issues extra of #1, #2, #8 and #14.

Write: Virginia Dennis, 18814 Florwood Avenue, Torrance, CA. 90504 or 1852 Golden Shadow Drive, Henderson, Nevada 89015.

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL.XX

JUNE 1983

ISSUE 6

TOM L. TRESAK  
San Leandro, California  
I O W M C #786

Perhaps when I retire I'll have more time to devote to my hobbies ... it seems that I don't have enough time to do all the things I've wanted to do.

I've covered a lot of ground in my life being born at the end of WW I in Westfield, Mass. We moved to Lake Worth, Florida in 1920 and left for Illinois nine years later. I attended grade school there and won a certificate for not being tardy or absent for a period of five years.

Getting out of high school I got my first job at Sears Roebuck as a part-time salesman, but learned early that this wasn't my line. I got a job as a hydraulic mechanic with a truck body company with which I stayed twenty-one years.

My three years in the Army Air Force gained me many trade schools which was to further my skill in the hydraulic field. I'm now plant superintendent for a truck body company from which I intend retiring in the near future.

Hobbies keep me very busy, not only in collecting things but making articles out of wood as well as steel. I just completed my first Christmas wood for the 1982 season.

Stamps are my first collecting interest as I've been collecting nearly fifty years. I started with wooden money in 1967 when I bought a collection of some 200 pieces for \$4.00 from a coin dealer. From then on I was hooked. Hope to increase my woods substantially over the next few years.

I have certainly enjoyed belonging to several wooden money clubs; it brings people with the same interests together.

Submitted by Barbara Trace, Portrait Chairlady

## THE FRANCES WILLARD EVANSTON, ILLINOIS WOOD

The 1951 Evanston-Northwestern Centennial Jubilee 89 piece set of wood flats includes eight featuring Frances Willard. This article will provide a little insight into the significance of this person.

Northwestern University (Evanston, Illinois) was incorporated in 1851. By the late 1860's a group of Evanston women decided to establish a college for women - education at that time not being co-educational. In 1868 they formed the board of the Evanston College for Ladies. The first president of the college was appointed in 1871. It was Frances Willard - then only 31 years old.

The Ladies College originally rented the building that had previously housed the Northwestern Female College. However, since land had been donated to the college for construction of its own building, Willard, aided by Northwestern president Erastus Haven, began fund raising.

In 1871 the contributed funds vanished in the flames of the Great Chicago Fire. The future of the school looked bleak. However, since many women attended classes at Northwestern University, it was not in the best interests of NU to allow the school to fold. So, in 1873 the two schools merged, and Frances Willard became the first Dean of the Woman's College of Northwestern University.

Unfortunately, while Willard worked well with President Haven, such was not the case with his successor, Charles Fowler. In the early 1860's the two people had been engaged to marry until their clash of personalities caused them to change their minds. This clash again resurfaced a decade later.

The problem stemmed from a conflict as to who would supervise the women students - the faculty or Dean Willard. Believing that her power to set disciplinary policy for the women students was being taken away by Fowler and the faculty, she resigned from the university in June of 1874.

Frances Willard went on to become a leading figure in the Woman's Christian Temperance Union. Though she appeared in a conservative role in her conflict with the president and faculty of Northwestern (the Chicago papers called her a tyrannical "female Bluebeard"), she was, in fact, an ardent advocate of woman's suffrage and took an active participation in political life. She continued to live in Evanston and maintain an interest in the university.

-Dick Bales

Frances E. Willard, dean of the Woman's College 1873-74

Charles Henry Fowler, President 1872-76

# PRESIDENT'S MESSAGE

REMEMBER OUR ANNUAL MEETING IN SAN DIEGO WILL BE AT 9:00 AM ON THE 19 AUGUST. WE WILL HAVE OUR DINNER GET-TOGETHER THE NIGHT BEFORE. IF YOU PLAN TO ATTEND PLEASE DROP MR. DENNIS A SHORT NOTE.

MRS. DENNIS IS STILL IN NEED OF ITEMS FOR OUR ANNUAL RAFFLE AND DON'T FORGET OUR YEARLY AUCTION FOR THE CLUB. THESE TWO ITEMS HELP US TO KEEP THE DUES COST DOWN.

THERE HAS BEEN VERY LITTLE RESPONSE FOR THE ELECTION OF NEW OFFICERS. IF YOU WISH TO RUN FOR OFFICE LET MR. LEEPER KNOW. YOU CAN SEND IN YOUR OWN NOMINATION.

### Dear Members:

I want to thank all those members who have sent in New applicants. To date the club has 48 New Members. The sad news is that 53 members failed to answer their late notices. Hopefully, these members will miss their Bunyan Chips and send in later. Also a thank you goes to the members who sent in return postage.

Sincerely, Toni Cichy

Secretary

### THAT'S A LOT OF BALONEY

It sure is, anyway you slice it. Over 5,000,000 pounds of Lebanon Bologna is manufactured per year by the Palmyra Bologna Company. They have been making these sticks for over 80 years - ever since Harvey Seltzer founded the company in 1902. And ... I have been eating "Lebanon" for over 60 of those years. If all this bologna were laid end to end it would take over 4 hours at 55 MPH to pass it. That's a lot of bologna!!

Many of the methods of producing this unique all beef Pennsylvania Dutch Lebanon Bologna have not changed much since Harvey made it. The beef is cool aged for several weeks and the bolognas are smoked in out-door wooden, pit-fired, smoke houses for three to five days using oak and hickory wood chunks, slabs and sawdust. Sprinklers maintain the delicate low heat-high humidity curing atmosphere.

In addition to the well known "Seltzer" manufacturer's label, this bologna is sold throughout America under many other well known private labels including Swift, Kroger, Kahn, Peter Echrich, A & P, and Safeway.

Seltzer's welcomes visitors daily for tours of the plant at 230 N. College Street, Palmyra, Pa from 8:00 A.M. to 4:00 P.M. Don't miss it it's a unique experience and it's just a few miles east of Chocolate Town, U.S.A.

The PHILADELPHIA PHILLIES National League Baseball Club is, as all you Phillies Phanatics know, celebrating it's 100th birthday this year having been established in 1883. They were the "WHIZ KIDS" of the 1950's and are now sometimes lovingly known as the "WHEEZE KIDS" of 1983. Rose was 42 in April; Perez will be 41 in May; Reed was 40 last December; Morgan will be 40 in September; and Carlton and McGraw will be Jack Benny's age this year. Pete and Steve are sure HOFers in my book.

This wooden nickel was designed and hand-struck by "Chan". The original is only 1 inch in diameter and the sticker was removed from a package of "Seltzer's". The 1½ inch wood shown here has one of the stickers gratuitously furnished by Ronald E. Fouche', General Manager of the Palmyra Bologna Co., Inc.

"Don't take any wooden nickels" is a lot of baloney too. Lignadenarists are all glad to take 'em. Thanks to Mr. Fouche' I have a limited quantity of these Seltzer/Philly woods. Will swap or give free with a SASE while the supply lasts.

## CHUK SON, TUQUI SON OR TUCSON, A CITY UNDER FOUR FLAGS

The Papago indian name for Sentinel Mountain is Chuk Son, meaning the base of the mountain is darker than the summit. The Spanish pronunciation was Tuqui Son or Tucson. The city of Tucson, Arizona, elevation 2,300 feet, is located in Pima County in Southern Arizona. The city lies about 120 miles south of Phoenix, the capital of Arizona, and 60 miles north of Mexico. El Paso, Texas is 306 miles to the east and San Diego, California is approximately 350 miles to the west, all connected by interstate highways.

The city itself is nestled in the center of a valley surrounded by several different mountain ranges. Annual rainfall is about 12 inches, most of which occurs in July and August. The present population of the city is greater than 355,000 people with an additional 200,000 people residing in more rural areas in the county.

Evidence of a prehistoric civilization has been uncovered in Tucson and ruins of a Hohokam indian pit house dating to approximately 900 A.D. have also been found in the city. The first records of Tucson were made in 1697 by Father Kino, a Jesuit Priest and Spanish Missionary. Kino noted that the city was on the banks of the Santa Cruz River and was the most thickly populated and fertile spot in the entire Santa Cruz Valley.

In 1751 the indian settlement of Chuk Son became a visita of San Xavier Del Bac and the Jesuits were replaced by the Franciscan Order on orders from Charles the Third. In 1769 Fr. Francisco Garcés built a small pueblo and church surrounded by an adobe wall to protect the peaceful indians from Apache raids. Tucson takes its name "Old Pueblo" from Fr. Garcés' small settlement that was called San Augustin Del Toqui Son to distinguish it from nearby Chuk Son, which later was called San Augustin De Pueblito De Tucson. The settlement was home to approximately 200 families in 1772. To protect their missions and the indians, the Spanish moved the detachment of military that was stationed at Tubac (south of Tucson) to San Augustin De Tucson in 1776. When Mexico won its freedom from Spain in 1821, Tucson was a military outpost. Apache raids drove settlers from Tubac and other nearby areas to Tucson for protection.

In 1854, Tucson and southern Arizona became part of the United States under the Gadsden Purchase. In 1856, four companies of United States Dragoon's were sent to the Tucson area, and in 1861 Tucson sent a Territorial delegate to the Confederate Congress, but he was not recognized. In February 1862, Texas Confederates established authority in Tucson. But on May 20, 1862, California volunteers entered Tucson and once again raised the United States flag. By June of that year Arizona was returned to the Union after a short history as part of the Confederacy.

Arizona territory's first governor declared Tucson a municipality in May of 1864, and in 1867 the capitol of Arizona Territory was moved from Prescott to Tucson. In 1877 the capitol was moved back north to Prescott. In the later 1800's Tucson acquired the reputation of a wide-open, tough town, mainly due to the prospectors and camp followers associated with the town of Tombstone southeast of Tucson, and to the miners heading for the gold fields in Yuma, gold, silver, copper and cattle were the main contributors to Tucson's initial growth.

Today, Tucson's economy is diversified—tourism, copper, electronics, Davis-Monthan Air Force Base, Hughes Aircraft and Lear Jet are the major contributors to the city's economy. A major retirement area, Tucson's warm, dry winters and many recreational opportunities attract a steady stream of visitors and new residents. A set of six wooden nickels was issued in 1939 and a set was issued in 1943 and again in 1975.

*WOODEN NICKELS — A collective term for coin-like objects made of wood.*

*Initially these were actually intended, at least in part, for commerce, as they were produced during a period of emergency and an accompanying shortage of small change. Their first recorded use in the United States occurred in Tenino, Washington, in 1931-1932, at the height of the Great Depression, but very similar pieces were made in Austria in 1920, part of the flood of notgeld printed there after the end of World War I.*

*The Tenino pieces, and their Austrian counterparts, were rectangular rather than round, and were designed both for local circulation and for sale as souvenirs. Within a few years, however, they served only as souvenirs; most wooden nickels from then on were "struck" to celebrate local events, as advertisements, and so forth. Until the middle 1950's, most were rectangular; while five cents was the traditional denomination, wooden "dimes" and "quarters" are also known. At present, they are usually printed with rubber dies, and are circulated as advertisements or mementos, with no values expressed. While Canada and other countries have created such wooden pieces from time to time, they are considered a distinctly American contribution to exonomia.*

FRANK SELMAN  
Calgary, Alberta, Canada  
IOWMC #1470

Thank you for the opportunity of meeting the other club members.

I was born in Raymond in the early twenties in a small town about 60 miles north of the American border in Alberta.

When WW II broke out I joined the RCAF. Spent 5 years in the Air Force. Two of them in POW camps in Germany.

Shortly after returning to Calgary, which became home, I started collecting Canadian coins, not very seriously, just putting a few away now and then. About 1960 I began to get a little more serious and put together a pretty good collection of Canadian and foreign coins. When I heard about wooden nickels I thought I would give them a try. I enjoy them very much, both rounds and flats. I am also collecting Canadian Trade Dollars and have a very large collection of them.

I'm a member of IOWMC, CAWMC, CNA and CNS.

I have three married daughters, six grandchildren and two sons.

I am an active member of the Church of Jesus Christ of Latter Day Saints.

Submitted by Barbara Trace, Portrait Chairlady

## THE FRIENDLY WOODEN MONEY SHOW

They came by auto - camper - busses - pick up trucks - planes - and taxi's -Why ? To attend the "Friendly Wooden Money Show" held June 3 - 5, 1983 Niagara Falls, Canada. Wooden Money Collectors, were waiting for a show and they got what they wanted to see at the biggest and best display of varieties of Wooden Money and Wood Tokens, ever seen at any show. You name it and the Wood was there. Many were of the hard to get wood and the owners gladly explained them to all. Fifty four cases and frames were on display. Norm Fletcher, Bay St.Louis, Miss. had 13 frames 3 by 4 feet of one of a kind.

Those who displayed were: G.Parfet-Canadian, R.Bailey-American, Norm Wells-Canadian, W.J.Carr-American, T.Wolverton-American, W.Scott-ANA Boston Issues, C.C.Kramer-Canadian and American, J.Lawrence- Canadian and American.

No awards, No prizes, No nothing, just the pride of showing their wood - knowing that no prizes of any sort were to be given.

No better name could have been given "The Friendly Wooden Money Show" no matter where one went all we could see were collectors all smileing, talking wood and showing wood.

On Friday evening at a round table meeting each person arose and introduced them self and spoke of their joining and interest in collecting wood. The gathering was quite interesting and humorous at times.

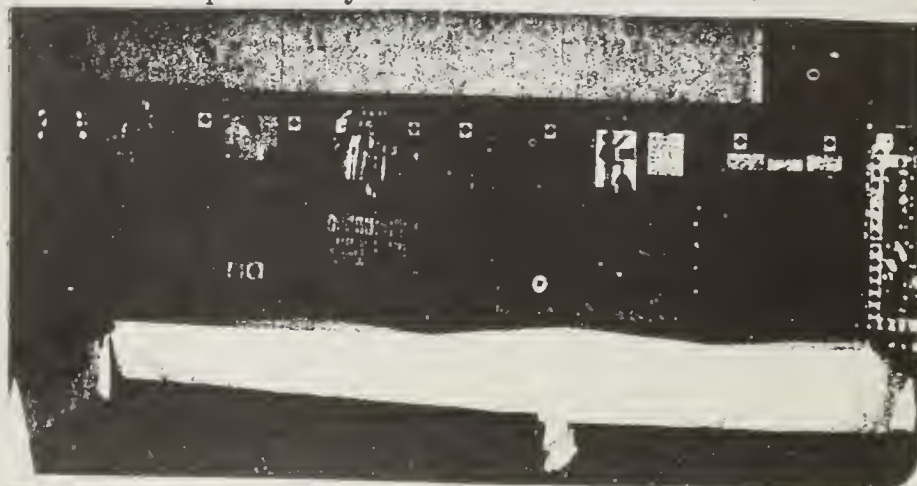

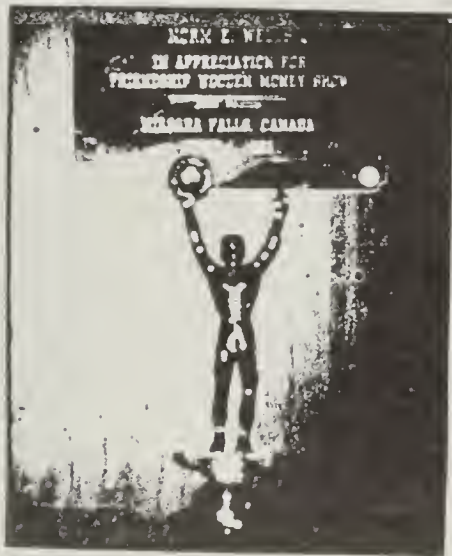

The room of Kramer and Wolverton, was the open hospitality room for the men, Parfet's room was right next door (arranged by Wells) was hospitality room for the ladies.

Unknown to Wells, R.Bailey, had a plaque that all persons attending were signing and also C.C.Kramer, had a guest book signed by all attending the event.

Saturday evening the banquet started at 6:00 PM. promptly - great - No speeches. However - the surprise was the guest book and a very nice Wood plaque, was presented to Norm Wells, by Ted Wolverton, for his efforts of setting up the event by those attending. R.Bailey, also presented Norm, with a signed wood plaque made for the affair.

Those attending were: N.Wells, Mr.&Mrs.Parfet, Mr.&Mrs.N.Fletcher, Mr.&Mrs S.Penzes, C.C.Kramer, T.Wolverton, Mr.&Mrs. P.Greenberg, J.Lawrence & John Jr., H.Richardson, Al-Bliman, W.J.Carr, G.Fraser, Don Robb, Mr.&Mrs.N.Belsten, Mr.&Mrs.G.Steveson, J.Dunley, Ron Nobbs Sr., Mr.&Mrs.W.Scott, Jackie & Sanantha McCraw, Mr.&Mrs E.Cichy,V.Borrow, L.Vesk, A.L.James, D.Mueller, Mr.&Mrs.H.Simon, Mr.&Mrs.L.Richmand & Brother in law and wife, K.Hathaway & some of his family, visited Sunday morning."A Good Time Had By All"

APACHE JUNCTION, ARIZ.  
60th Anniv.

Apache Junction, Superstition Mountain and the Lost Dutchman mine are etched in the minds of most people. Apache Junction the city, has come into its own in just a short time.

From its beginning with a tent pitched on a homestead site in 1923 by George Curtis, the first settler. It was first known as Apache Trail Junction and Apache Trail in 1925.

Curtis operated the first gasoline station along with a hotdog stand in Apache Junction. The hotdog stand was later enlarged to serve meals. A small Zoo was also located here.

Apache Junction, located 15 miles east of Mesa, at the junction of Highway 88, the Apache Trail and U.S. Highway 60-80-89 meet.

Historians claim that the area around Apache Junction was inhabited by the Hohokam Indians from the first to the 15th century. It was also under Spanish influence for 300 years.

The Spanish were the first to mine gold here. But due to continuous attacks by the Apache Indians, they soon gave up mining.

The brooding, changing Superstition Mountain is a historic and scenic landmark visible for miles around. Here adventurous prospectors spend a weekend or a life time braving the rugged terrain and the forbidding tales of mystery and violence in search of the Lost Dutchman gold mine.

1983 marks the 60th anniversary of the founding of Apache Junction. A set of 4 wooden nickels was issued for the occasion. The sets are available through the Chamber of Commerce or from Mark R. Wildasin, P.O. Box 995, Apache Junction, AZ. 85220 for \$1.00 a set post paid.

THE ANN ARBOR, MI JOLLY TIGER/SAMBO WOOD

Perhaps you have wondered about the connection between the orange "Jolly Tiger" wood and the Sambo's restaurants. These paragraphs from a 1979 federal court case shed some light on this.

-Dick Bales

**SAMBO'S RESTAURANTS, INC.**, a California Corporation, and **Sambar Properties, Inc.**, a Delaware Corporation, Plaintiffs,

v.

**The CITY OF ANN ARBOR**, a Municipal Corporation, **George W. Gardner**, and **G. M. Scofield**, Defendants.

Civ. A. No. 9-70284.

United States District Court,  
E. D. Michigan, S. D.

May 4, 1979.

The following summary of facts have been stipulated to by the parties:

In December, 1971, Plaintiff, Sambo's Restaurants, Inc., acting through its wholly-owned subsidiary, Restaurant Properties, Inc., applied to the City of Ann Arbor for site plan approval for the construction of a restaurant within the City limits.<sup>3</sup> The plan proposed by the Plaintiff complied with all applicable city ordinances and regulations.

In Ann Arbor, approval by the City Council is a condition precedent to construction of a restaurant.

At the November 13, 1972 meeting of the City Council, the "Sambo's" site plan was presented.<sup>4</sup> Upon its presentation, a member of the Ann Arbor City Council stated that he could not support approval of the plan on the basis of its 'name' and stated further that he would personally lead an economic boycott of the restaurant if opened under the name "Sambo's." The Mayor, and other Council members, supported the Councilman's position.

At the next City Council meeting, on November 21, 1972, Plaintiff, Sambo's Restaurants, Inc., again acting through its wholly-owned subsidiary, Restaurant Properties, Inc., through its attorney, wrote on the official site plan that the name "Sambo's" "will not be used in regard to this restaurant." At the December 4, 1972 meeting, the site plan was approved by the City Council.

Subsequent to the Council's approval, Sambo's Restaurant constructed the restaurant and operated it under the name of "Jolly Tiger"<sup>5</sup>. The restaurant was financially unsuccessful in its operation, losing more than \$18,000.00 during the year 1978.

Unhappy with this monetary loss, Sambo's, through Michigan Signs, Inc., applied to the Ann Arbor Building Department for sign permits for two building signs to display the name "Sambo's." The sign permits were issued by the Ann Arbor Building Department on December 19, 1978. On December 28, 1978, the "Sambo's" signs were erected. Less than one week later, the Ann Arbor Building Department revoked the sign permits.<sup>6</sup>

Pending this Court's ruling, Defendants have agreed to take no further action to enforce the revocation, and Plaintiffs, in turn, have agreed to erect no further sign under the name "Sambo's."

Respectfully submitted - Editor: W. Scott 64

A BRIEF BACKGROUND OF EACH NOMINEE IS SET FORTH BELOW

FOR OFFICE OF PRESIDENT:

Sally Kirka - Thank you for nominating me again to run for President of IOWMC. If I am elected I will work hard for the good of the club. No one can please all but I will try. I'm an officer in about 10 other clubs and always get all my work done. I wouldn't take a job if I could not do it.

I have run two conventions for N.E.N.A. and will run another in 1985. I'm also their editor for 15 years now. Also run coin shows for some clubs. A past Pres. of NENA and most of the other clubs that a member of.

If elected I will try to work to see if we can make a little extra money for the IOWMC or their 20th Anniversary affair. As I don't know what the officers have in mind now I can't give you a lot of promises, although I do have a few ideas of my own.

FOR OFFICE OF 1st VICE PRESIDENT:

Larry Richmond - I will except the nomination for 1st Vice President of IOWMC.

I am 43 years old, married with a son Todd, 15 years old. My wife and I both work for Case Cutlery, a knife manufacturer.

I started collecting Wooden Money in 1972. I believe it is the members that make the club. Each individual contributes a piece of him or her self to the club.

I currently serve as 2nd Vice President of IOWMC, and a Director in New York State Wooden Money Society. Also a past Editor of Timber Lines, DWMC, Newsletter.

I promise to do the job to the best of my ability.

FOR OFFICE OF 2nd VICE PRESIDENT:

Allen Nystrom - In accepting the nomination for 2nd Vice President of I.O.W.M.C. I submit the following information about myself. I am now into my 12th. year of retirement, but seem busier then when I was working. I have been active in the Grange for over 30 years, and have been a member of IOWMC since 1969. I am a past President of the University Coin Club, The Northwest Token and Medal Society, and the Pacific Northwest Numismatic Association.

My interest in Wooden Money has taken me to the Wooden Money Convention in Columbus, OH. as well as to 5 A.N.A. Conventions to attend the Wooden Money meetings. As a result of this traveling over the country I have met a lot of very nice people and became familiar with the workings of the IOWMC and the hobby of collecting Wood. If elected to the office of 2nd Vice President I will do my best not to let the I.O.W.M.C. or the above mentioned people down.

Robert A. Johnson - I am married with a lovely wife three children and three grandchildren. The founder of Md. Amusement Token Collectors Assn. I like to get involved in any activity in which I participate. To me an Office in a organization is more then just a title. If you are not going to get involved in that office and just want the name, you are only hurting rather then helping this organization.

I have many ideas and if elected I will present them for approval and immediate action.

Gordon M. Maclaren - It has always been my philosophy that if one belongs to any organization, that they should take as active a part as possible, for one only gets out what they put in. As a Eagle Scout one of my Mottos is "Cheerful Service". Collecting Woods is new to me but I'm willing to learn and to give my best.

I belong to several clubs, Scouting is my life. Have served as treasurer of other organizations also Past President of Wayne Co. Historical Society and Museum, The Eastern Leathercraft Guild, Pres. of local and county wide society.

It is with in mind that I have agreed to accept the offer to have my name on the 1983/84 election. I will appreciate your vote of confidence. Thank You

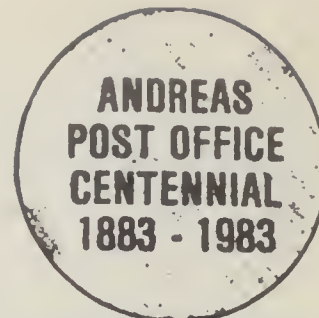

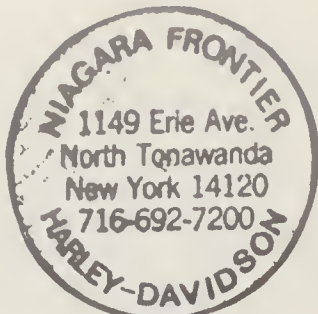

FOR OFFICE OF BOARD OF GOVERNORS

M.Wayne Dennis - I except the nomination of B.of G.for I.O.W.M.C. The need for loyalty and Dedication, have never been needed more. I have served as President and B.of G. in the past so the job will be nothing new to me. I feel this is qualification enough.

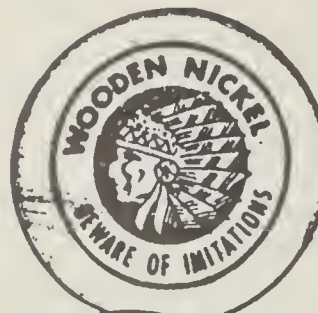

How ever I'll vote my conscience which will always be for the betterment of the organization. I'm no fence rider. I will always vote no substaining or waiting to see how everone else votes and side with a friend or the majority, Oh! I may rock the Boat but I promise not to turn it over.

I appreciate your vote for Board of Governmor and I think the organization will to.

## BANQUET/AUCTION MEETING

I.O.W.M.C. Banquet/Auction Meeting will be held on Thursday, August 18, 1983, 5:30 pm at the 7 Seas Lodge, 411 Hotel Circle South, San Diego, CA 92108, in the Patio Room.

This restaurant is located across (within walking distance) from the ANA Convention Hotel, Town & Country. Social hour: 5:30 to 6:00 pm. Dinner at 6:00 pm. Auction will be held immediately after the dinner hour.

Dinner menu will be London Broil of Beef, salad, potato, vegetable, dinner roll, desert, and choice of beverage. Price is \$9.25 each, which includes the California state tax and 15% gratuity.

Please let me know, as soon as possible, if you plan to attend, along with your check. The organization must guarantee a minimum amount of dinners; and I have to notify the hotel a day in advance to the total attendance.

Write to M. W. Dennis, 1852 Golden Shadow Dr., Henderson, Nevada 89015. All replies must reach me by Friday, August 12, 1983.

\*\*\*\*\*

## WOOD SALES

Effective immediately, please use our new mailing address when ordering I.O.W.M.C. woods, etc.

Wood sales are doing very good but still available are back issues from 1964 to the present date, including some of the special issues.

Send all inquiries to Virginia Dennis, 1852 Golden Shadow Drive, Henderson, Nevada 89015. Please, don't forget to send a self-addressed stamped envelope. Thank You.

YES, I or we plan to attend the Banquet/Auction Meeting of I.O.W.M.C. on Thursday, Aug. 18, 1983.

Enclosed is my check in the amount of \$ \_\_\_\_\_  
for \_\_\_\_\_ & \_\_\_\_\_  
(name) (name)

## FUND RAISING PROJECT

Responses have been coming in regularly to support IOWMC's Fund Raising Project. Some very nice items have been received from L. H. Lewry, George Hill and Marion Beardsley. In fact, Marion had her gifts beautifully gift wrapped.

Cash donations have also been received from W. J. Kennedy, Royce Branson, and a member who wishes to remain anonymous. Total of this was \$35. Keep up the good work. It is heartwarming to have so many dedicated members who will always come forward to help our great organization when called upon. Our great big "THANK YOU" to all who have contributed and to you who will.

All donations should be in my possession no later than Friday, August 12, 1983. Please use our new address: 1852 Golden Shadow Dr., Henderson, Nevada 89015. Thank You.

Virginia H. Dennis  
Chairman

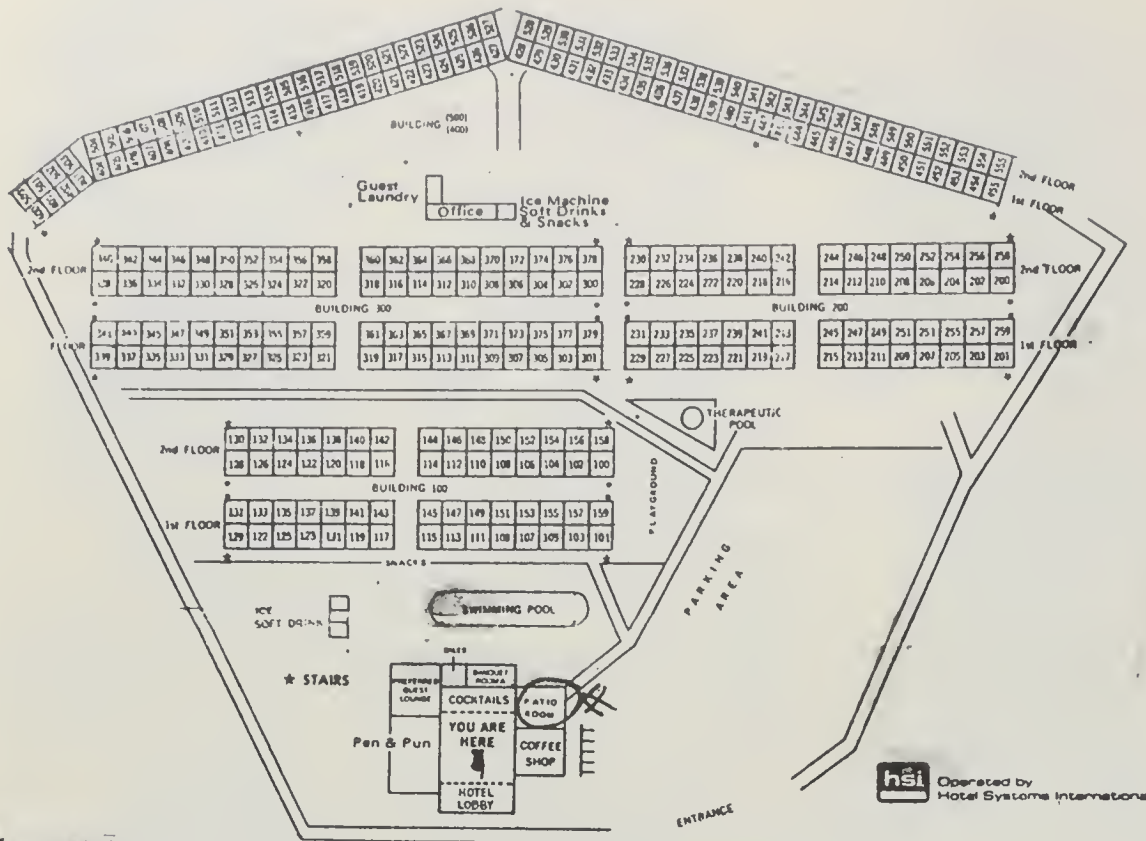

It was with sadness to learn that Gerald Hathaway C-43, loss his Mother 4/24/83. Gerald's, Father and Mother, paid us a visit when at a Wood meeting at Niagara Falls, Canada, in 1980 -Editor

Dorothy Mack, President: reported they had purchased a New home and were in the process of moveing to it from the base houseing, due to N.R.s retireing. Time pased so fast that they overlooked sending a Presidents item for "Chips". They also said few woods or items had been recieved for the Auction to be held at the club affair to be held at San Dieage.

Macks, also reported that if any one wanted a membership rooster to send a #10 SASE for it.

quaint shops, Jai Alai, Caliente Race Track  
and bull ring, is just 20 miles away.

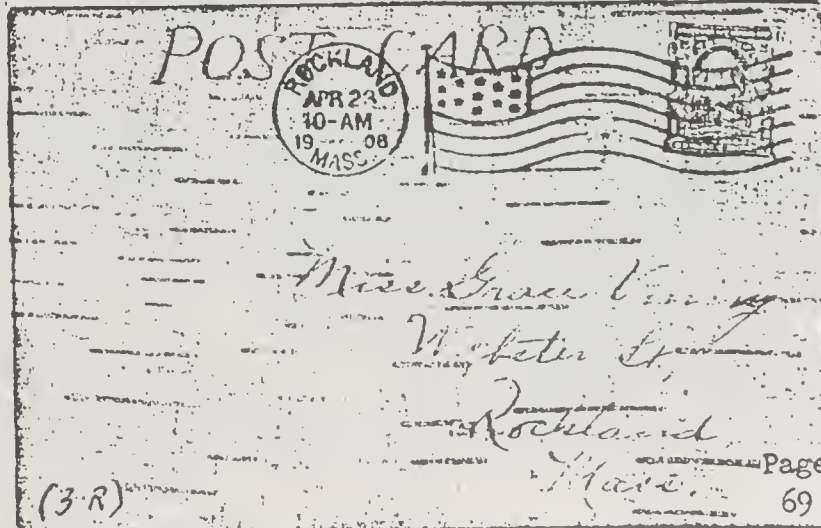

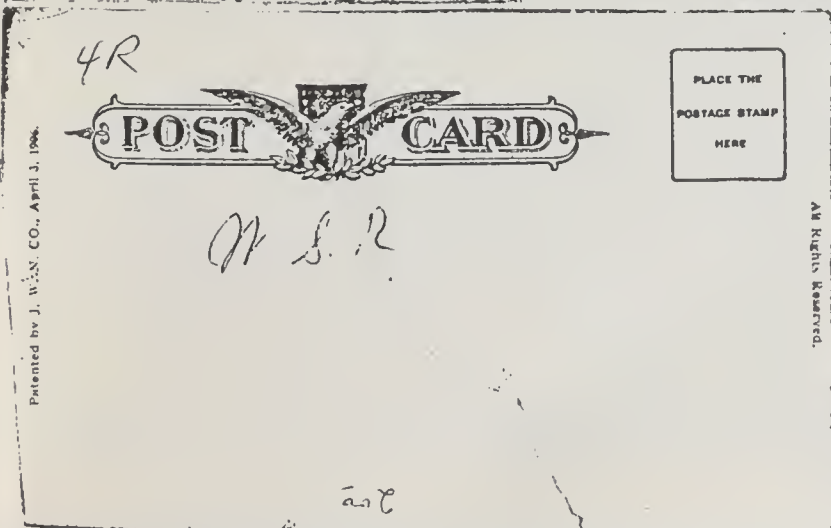

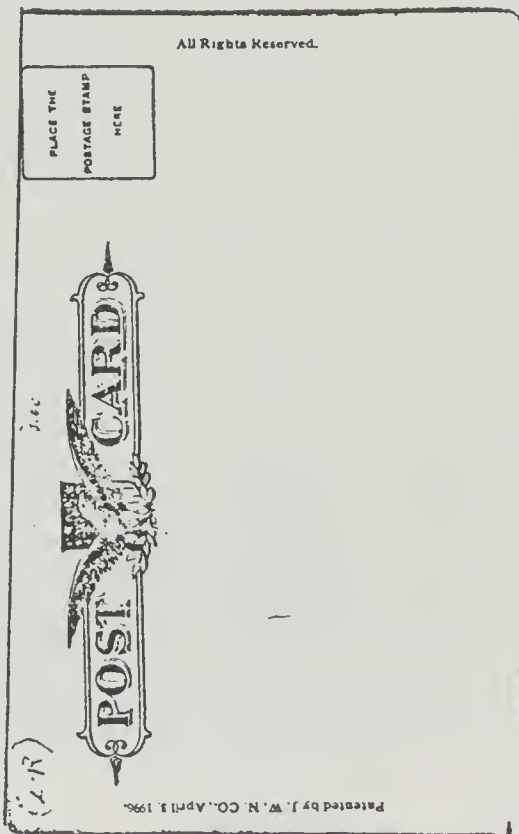

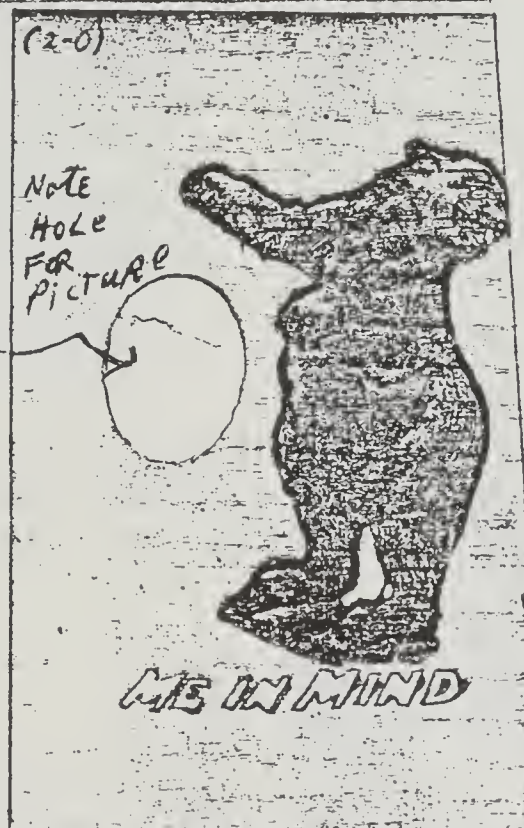

Dear Bunyan's Chips

In my quest for things to collect I found that in the early 1900's there was a few years when people made Wooden Post cards and mailed them. There was also leather, silk, aluminum ect.

Enclosed is some copies of some I have picked up of Wood and thought Woodies might think them interesting.

Most Respectfully,  
Kendall Ballard

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL.XX

AUG.1983

ISSUE 8

IRVING R. CANTER

Brooklyn, N. Y.

I O W M C #1504

As far back as I can recall (and I can go back quite a few years) my chief interests were in collecting coins and stamps. In those days it merely required a few pennies to buy a used stamp or a coin could be found in circulation.

Through the ensuing years my interests never waned but I did increase my collecting to include wooden money, elongated coins, transportation tokens, parking tokens, Masonic Pennies and other forms of exnumia.

I've become a joiner and became a member of many organizations whose major interest is numismatics. Currently I retain membership in about 25 clubs. I found this hobby to be educational and at times relaxing; however, there are times when as an active worker for these clubs one can get so absorbed and really enjoy the hard work done at various conventions.

I've also learned to enjoy the art of sharing through exhibiting. Participation in these activities is often rewarded by awards... and who doesn't like to receive awards?

I was born in the borough of Brooklyn, and except for the almost five years in the service, have lived there and enjoyed it. I like to go to the annual conventions and am anxiously looking forward to meeting many of my friends at the next one at San Diego, California.

My most recent addition to the list of collectibles has been Wooden Money and I'd like to specialize in Christmas Flats. I hope to have one this year.

Submitted by Barbara Trace, Portrait Chairlady

# Ted DeGrazia

1909-1982

## LOSING A LIVING LEGEND

1909 -- 1982

I would liked to have known Ted De Grazia! He fits our American prototype of self-made man. He ended up in the Arizona desert, however, instead of on Wall Street. No Brooks Brothers suits for him; his garb more nearly resembled a cross between the cowboy and the old placer miners of gold rush days. He had been a miner for much of his youth and perhaps this accounted for his yen for the wide-open spaces. The Arizona skyline and desert sun were probably attractive to a man who had spent much of his life under ground.

De Grazia delighted in creating "De Grazia the Character", the man in a thousand stories, while privately contributing generously to numerous charities, and being the friend that his friends say he was. He was an original in every sense of the word.

I am a "Plate Collector" as well as "Wooden Money", and many of us are now mourning for the "Granddaddy" of all the plate artists who paint Indians. He is, of course, the crusty, eccentric and dearly beloved Ted De Grazia who left us in September for happier hunting grounds. His painting mainly consisted of Indians, and they were always children. However, in each of his pictures of innocent little children he gave us so much more! With a little color and a few wisps of a brush he brings to life happy, rather elusive children who often seemed poised between the real world and of fantasy.

His work speaks of holidays and pleasure. Much of his work was out of context, and we willingly suspended and played the game with him. It is hard to discover in this gentle work the angry man who caused quite a sensation by burning a fortune in paintings years ago, in order to protest against our country's policy on inheritance tax. Many of his paintings were donated to the De Grazia Foundation during his lifetime to protect them from death taxes, and to preserve them in museum surroundings. His style of painting appears simple but is actually very difficult to copy.

He devoted his life to making people happy through his art. This was really why he lived. In his later years he became a millionaire but it did not change his life style. He still lived in the house he built with his own hands, wore the same simple clothes, and kept the same friends. He is leaving behind a legacy of happiness for the people who loved him. He was a rare, rare person. I am indeed happy to own the two wooden nickels shown above.

ADELENE SCOTT

With each issue the efforts of all editors especially those of the past that have put out "Bunyan's Chips" along with all the ones that have sent in material and the excellant cooperation of our clubs Secretary; Toni Cichy, recieve my big "Thank You"

Any comments good or bad is appreciated as it is the only way one learns to satisfy the most of our clubs membership.

After attending the last seven annual Club - meeting Mayme and I will miss the opertunity to enjoy the fellowship this year at San Diego, CA. which has always been very nice. The good Lord, willing we will continue to work for the wooden money clubs and be at IOWMC's 20th anniversary gathering at Detroit in 1984.

## \* FROM YOUR TRAVELING CHAIRLADY:

\* Just a short note to thank you all for the wonderful responce you all are giving to our organization.

\* Due to our moveing from Calif. to Nevada, was unable to fullfill some of your request for additional tickets and wood orders before we left on our trip to Missouri, for a visit with our family and naturally wooden money collector friends, along the way. Rest assure this will be done on our return home.

\* Must give "Special Thanks" to the following for thier additional contribution of wood and money: Vernon Brown, Corky Ayers, Wilbur Cochran, Arthur Demars Sr., C.W. & Eunice - Hosterman, Howard Harris, R.J. Mantovani, Al Zaika, Alice Stencel and Kaz Oyama.

\* Hope to see many of you in SanDiego, in Aug.

\*

Virginia Dennis

A MAJOR GOOF... going over the Policy & Proceedure, of the Editors job it was noted that the editor was charged with the job of setting up and mailing a membership listing out to all the members each year. The functions of a office can be easy overlooked. Editor

#### Pioneer Wooden Money Society, Organized May 1968

The club enjoyed thier annual picnic on July 10 at Willow Mill Park, Mechanicsburg, PA. Those attending were C. List, family NY.-S. Brown, W&M Scott, MD.-W&R Bailey, S. Elliott, P. Price, Jim Jury (President), H. Harshbarger, family (a new member and one guest all from PA. Wood swapping and selling took place along with good eats. Stan Brown, had his book of 295 different Dairy Queen issues to show. A wood flat was issued to commorate the affair and will be sent members with the club bulletin Knot Hole News, All had a great time.

#### California Wooden Money Assoc. Organized Jan. 1969

The club still holds thier meeting at Eroc Hall, a museum built by the late Earl O'Cathy, and his son Gerry is carrying on the tradition. As all clubs the new Editor, Awanda Ayers, is calling for more items for thier bulletin "Wood Winds". Any one wanting infromation on the club may write; Secretary, Awanda Ayers, 2345 S. San Antonio, Pomona, CA. 91766

#### New York State Wooden Money Society, Organized Jan. 1977

They know how to get attention by putting a item in thier publication Beaver Bits, that if members did not attend thier meeting (subject to change) a excuse had to be sent or they may be expelled. This got responce but members should know such would have to be in thier constitution.

They extended credit to Wayne Dennis, for his great effort in obtaining quite a few new members for IOWMC. and two new ones for thier club.

Any one wishing infromation on the club may contact - John Lawrence; Secretary, 25 No. Wayne Ave., West Haverstraw, NY. 10993

#### Penn Ohio Wooden Money Traders

The youngest wood club formed in 1982, have issued a special wood to all Charter Members and a 1st. Anniversary Ind/Buf pair avaiable for 2 for 25¢ plus a SASE. from; Ron Nobbs Sr., 3924 Warren Sharon Rd., Vienna, OH. 44473. They held a enjoyable picnic and the new officers for 1983/84 took over; Ron Nodds Sr.-President, Earl Miller-1st VP, Fred Dewey-2 VP, Susan Harvey-Secretary, Flossie Miller- Treasurer, Madeline Nobbs-Historian.

Steponas Darius and Stasys Girenas, created international headlines in 1933 as they attemped a non-stop flight from New York City to Kaunas, the temperary capital of Lithuania. Both Darius and Girenas, were accomplished fliers, haveing served in numerous military and civil assignments.

With their own money (\$3,200), in 1932 they bought a six seater Bellanca, which they named LITUANICA. With donations from Lithuanian-Americans (\$8,456) a new motor was fitted into the plane, more room was made to

store cans of fuel, but there was not enough money for the latest navigational equipment. The Lituanica left New York City on July 15, 1933, at 6:24 A.M. without government approval.

The pilots found their bearings by compass and kept a steady course. On the eve of July 16 they flew over Scotland. On the night of July 17, Lituanica reached Prussia, 115 km north of Berlin, and crashed there in a forest near the German town of Soldin, not far from the Lithuanian border. Before their crash, the pilots threw out a special load of mail postmarked "Lituanica;" these subsequently were discovered and sold to stamp collectors.

The pilots had flown 6,441 km in 35 hours, 15 minutes; There were only 650 km left to Kaunas which they had wanted to reach without a stop. The bodies were flown to Kaunas, where over 60,000 attended the public funeral. The bodies were placed in the Kaunas cemetery, with a special plaque from America placed at the site in 1935. The plane was recovered and exhibited in the Vytautas the Great Cultural Museum in Kaunas.

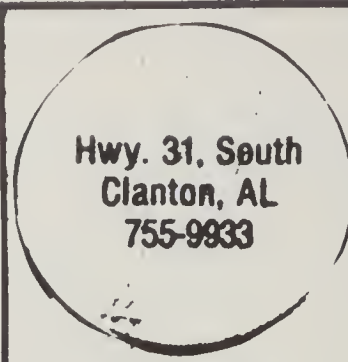

On board the Lituanica was found their diary, which contained these words, " We live in such a time when people try to use air for the good of mankind - may the success of Lituanica strengthen the spirit of young sons of Lithuania and inspire them to new ventures - May the failure teach young Lithuanians strong will and determination " Two monuments have been erected in the U.S. in memory of Darius-Girenas; one in Brooklyn, NY., the other in Chicago, IL.

A special 50th Anniversary Wooden 10 Litu token commorates the flight and crash of the two Lithuanian flyers. The wood was designed by numismatic Frank Passic, with artwork by artist Michelle Kincaid, of Tulsa, OK. The Woods are available for 75¢ each and a SASE. #10 envelope from: Balzekas Museum of Lithuania Culture, 4012 Archer Ave., Chicago, IL. 60632

JOHN WOODWARD

IOWMC.#1219

HIGHLAND, CA.

I was born in Hudson, NY. in 1914, and spent most of the time until I was 20 years old on the farm, school and hitch-hiking all over the U.S. East of the Mississippi. In 1935 went to Michigan, in a Model "A" to visit my Aunt and Uncle. While there met and married my wife Betty and we have been happily married for forty seven years. Went back to New York, and worked at various places including a defence plant during the war.

In 1951 with the wife and two children came West to Palo Alto, CA. to get away from the snow and the cold weather and obtained work with the City of Palo Alto, as a electrician and held the position for 25 years advancing to supervisor. Retired in 1976 and moved to San Bernardino, CA. to be near our son.

We now have five grandsons from the ages of seven to the age of twenty-four.

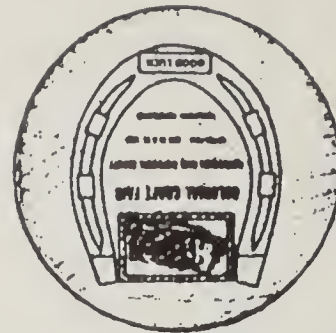

Besides Wooden Money I collect coins, yard sticks and toy-tanks, in fact my wife says if I see it I collect it, Ha!

Other than IOWMC. I belong to the NYSWMS, CWMA, ANA, AWMG, San Bernardino, Coin Club, NCWMC, NASC and CSNA.

Portrait Chairlady

THE WOOD THAT WOULDN'T

Middletown, Pennsylvania is the oldest community in Dauphin County. It was laid out in 1755 by George Fisher, great grandson of John Fisher (who came from England with William Penn on the first voyage of the ship Welcome in 1682) and his wife Margaret.

Early Pennsylvania maps show this area was a "Susquehannock" Indian town in 1715 and some lodges were still here when the town was laid out.

The PA Capital City of Harrisburg is 30 years junior to Middletown, which was named for it's central location between Lancaster and Carlisle along the old Stage Coach Road laid out in 1736.

At the time of incorporation in 1829 it grew from about 150 dwellings, several stores, churches and taverns, a bank and private schools to well over 10,000 inhabitants, an International Airport, various manufacturing plants and numerous businesses and service organizations, banks and churches.

The Middletown Area Historical Society was chartered in 1973 and is located on the second floor of Liberty House, which was formerly the home of the Liberty Fire Company No. 1 organized in 1874.

The MAHS's outstanding achievements in ten short years deserve the envy that could be showered upon it by it's fellow societies. Not the least of these achievements are the thousands of wooden nickels distributed since 1976. Seven different woods have been issued by the Society one of which was a flat commemorating Middletown's 225th birthday in 1980.

The timid WOOD THAT WOULDN'T was to be a 1½ inch round depicting a horseshoe with Middletown's famous "Swatara Ferry House", also known as the "Old Fort", and an indian brave with bow and arrow in a rectangular frame between the toes of the horseshoe. COLONIAL CRAFT FAIR/ MIDDLETOWN AREA HISTORICAL SOCIETY/HOFFER PARK JUNE 10 and 11, 1978/ MIDDLETOWN, PENNSYLVANIA was to be inside the horseshoe's circumference. This wood was ordered May 19, 1978 but was never delivered, undoubtedly due to the proximity of the cited delivery date of 5 June.

Sadly enough, the luckless horseshoe design lay dormant until 1983 when it was resurrected. It was given a new date June 11 and 12, 1983 and "GOOD LUCK" was added to the heel of the horseshoe. The order was posted to the minter with a more realistic lead time and happily the 1,000 wooden nickels were received in time for the Fair. But...Alas! All was not well with our poor nickel. When the nickels were checked it was found that the lettering was illegible! How could something like this pass the minter's inspectors? Guess these things just happen...

I know you will all join me in the fervent hope that it will be successfully and permanently resurrected in time for the June 1984 Colonial Craft Fair at Hoffer Park, Middletown, PA.

Since the minter didn't want these misprints returned, I was Lucky enough to receive them from the Middletown Area Historical Society of which I am a member. I will be glad to share them with you for a SASE. Keep your fingers crossed.

INTERNATIONAL ORGANIZATION of WOODEN MONEY COLLECTORS  
20th Annual Meeting August 19, 1983

The meeting of IOWMC was called to order by Toni Cichy Secretary, in the absence of the President and Vice Presidents. The Secretary then requested that M Wayne Dennis preside since it would be difficult to chair and take the minutes at the same time.

Mr Dennis requested that all attending stand up and introduce themselves and followed this with a Pledge to the American Flag.

Ruby Threlkeld made the motion to dispense with the reading of the minutes since they are published in Bunyan's Chips, seconded by Corky Ayers. Carried.

Mr Dennis read the treasurer's report in absence of Treasurer N.R.Mack. Ruby Threlkeld made the motion to except, Corky Ayers seconded, Carried.

Toni Chicy then read Walter Scott's report -- as chairman of the program for 1984 and the Editor of Bunyan's Chips.

OLD BUSINESS:

Each year the club award Honary Membership to Editors and non-members for outstanding service to the club. This years nominations were as listed.

Coin World	-	Margo Russell
Numismatic News	-	Cliff Miehler
ANA Board Member	-	Ken Hallenbeck

Herb Simon made the motion to grant these three Honary Membership for the 1983/84 year, Corky Ayers seconded the motion, Carried.

Submitted By-Law and Policy/Procedure Changes:

Artical I - Change to read -- The purpose and objective of said organization shall be to advance the knowledge of Wooden Money along educational, historical and scientific lines, in all its branches. To assist in bringing about better cooperation among all persons interested in the issue, circulation, classification, collecting, exhibitions, use and preservation of all Wooden Money. To promote greater popular interest, and for the particular purpose of bringing the collectors into closer relationship with one another thru social activities. To exchange ideas, and discuss mutual interest and to preform all other acts as may be necessary for the full bene-it of these purposes, but such purpose not to include operations for pecuniary profits.

Herb Simon made the motion to accept, Virginia Dennis seconded it, Carried.

Artical II - Membership:

Section 1 - The Membership shall consist of Charter Members, Regular Members, Junior Members, Associate Members, Honorary Members, Honorary Life Members, and Paid Life Members from any country.

Herb Simon made the motion to accept, Virginia Dennis seconded, Carried.

Section 8 (new) Paid Life Membership; A Paid Life Membership, may be obtained by paying the sum of \$100.00 into the treasury of IOWMC -- a one time payment or on four quarterly instullments of \$25.00 each. Then you become a paid life member for the rest of your natural life, as long as you abide by the By-Laws and Constitution of IOWMC.

Herb Simon made the motion to accept, Virginia Dennis seconded, Carried.

Artical III - Membership Applications, Admission and Dues

Secion 1 - Delete the following words -- "area code, telephone number and the last word in the paragraph -- "also".

Section 2 - Delete the words "Whenever possible" and change the words "publication" to "Bunyan's Chips".

Herb Simon made the motion not to delete "Birthdays" and Ruby Threlkeld seconded it, Carried.

Artical VI - Officers, Elections

Section 1 - Delete the following: "No officer may run for more than two consecutive terms" Discussion followed.

Corky Ayers made the motion to reject this revision and Irene Alexander seconded it, Carried.

Section 5 - Change - Delete "office to invalid on the ballot" and reword as " Ballot to be voided."

Section 6 - Delete the following words -- "who do not belong to the International Organization of Wooden Money Collectors.

Section 9 - Add "No limit on how many terms an officer may run for an office." This was voided because of the defeat of section 1.

Rules For Exhibiting Wooden Money:

#3 Delete "first and second place" and substitute " Winners ".

Delete "with a Best of Show trophy for the overall winner." The "Best of Show" shall not be eligible for a first place in either division.

#7 Delete the words " By Tom Hudson "

Judging Rules and Accumulated Points:

#4 Completeness - The exhibits should show a theme and be judged as to originality, neatness, information and how well the theme was followed. Members struck out the following sentence - "Completeness is to mean a complete set or series of Wooden Money" since only the early collectors might have a complete set or series.

Ruby Threlkeld made the motion to except and Virginia Dennis seconded it, Carried.

Award Committee:

#1 - Don Major Award - A trophy or plaque is to be awarded for the outstanding Wooden Money, display at the convention. It should be engraved as follows:

" IOWMC DON MAJOR AWARD - Name of recipient - City of Convention - Year "

This award is not to be made up until after the convention due to the possibility of no display.

#5 - President's Plaque - Delete the following -- "have always been ordered thru Gelvin Leeper, and are all alike with the exception of the one presented to the 10<sup>th</sup> president." Add: "are to be acquired by the Awards Chairman with the other awards and plaques."

Ruby Threlkeld made the motion to accept and Virginia Dennis seconded, Carried.

NEW BUSINESS

Tex Ryder, has been nominated by the New York Wooden Money Club and several other members to be awarded the Honorary Life Membership, for his promotion of Wooden - Money, Discussion.

Curly Mitchell made the motion to give Honorary Life Membership to Tex Ryder, seconded by Irene Alexander, Carried.

Corky Ayers asked the members to be thinking of creating an Earl O'Cathy Award. Tabled for the new board to consider.

ELECTION RESULTS

* Sally Kirka	-	President	138 votes		
* Larry Richmond	-	1 <sup>st</sup> Vice President	148 votes		
* Allen Nystrom	-	2 <sup>nd</sup> Vice President	79 Votes		
Robert Johnson	-		50 Votes		
Gordon MacLaren	-		28 Votes		
* M. Wayne Dennis	-	Board of Governor	157 Votes	Mutilated ballot	- 1
Total Ballots cast	-		161	Void ballot	- 1
Total votes cast	-		594		
Write-in's	-		11		

Herb Simon made the motion to accept, Ken Paulsen seconded, Carried.

AWARDS

OUTSTANDING SERVICE	--	Harold Schmal
LITERARY	--	Dick Bales
MEMBERSHIP	--	M. Wayne Dennis

PRESIDENT'S AWARDS

Martha Bevard	Frank DeGilio	George Hill
Walter Scott	Barbara Trace	Virginia Dennis
M. Wayne Dennis	Gelvin Leeper	Allen Nystrom

The meeting adjourned at 10.10 AM. Raffele followed.

To IOWMC. Members:

I wish to thank the members of IOWMC. for their kindness in awarding me the, "1983 Literary Award"

Yours Truly,  
Dick Bales

Respectfully submitted by  
Toni Cichy, Secretary

## FINAL REPORT - BENEFIT FUND

Listed elsewhere is a complete list of all door prizes, donors and winners of this.

Total sales (by mail) \$255.50; ticket sales at meeting was \$60.00; auction of material netted \$120.00 = making a grand total of \$435.50. Approx. 250 members participated.

Wish to give additional recognition to the following who donated extra money and/or material: L. Andries, J. Armentrout, Ruth & Tom Armstrong, A. Baxter, A. Beagley, Norm Belsten, L. Berkie, L. Besse, A. Bonesio N. Boughton, L. Boyk, R. Branson, J. Brennan, V. Brown, M. Bulpitt, W. Carr, Joe & Mae Clarke, G. Cochrane, Toni Cichy, F. Davis, S. Elliott, A. Erickson, B. Fiedler, W. Jabs, C. & E. Hosterman, A. & G. Kawula, W. Kennedy, T. King, A. & S. Kirka, H. Krajewski, C. Kramer, J. Lawrence, C. List, Dot & N. Mack, J. MacMinn, M. McDaniel, S. McKibben, Frank Minton, W. Morphet, L. Morsello, A. Nystrom, J. Parrish, K. Paulsen, A. & S. Penzes, A. Pharo, A. & G. Rome, A. Scott, W. & M. Scott, F. Schmidt, H. Simon, C. Stabile, A. Stencel, R. Wade, E. Weimann, Norm Wells, L. Whitcomb, K. Wiegel, M. Wildasin, J. Woodward and Ken Hallenbeck. These members, along with all the others mentioned in previous Bunyan Chips, just gave a little bit extra, which added to the success of the Benefit Fund.

Also want to give a big "Thank You" to Awanda Ayers who did a super duper job in selling tickets at the meeting for me. Must not forget my better half, Wayne, for his donations and being auctioneer. Thanks to each and everyone of you. Lets hope it will be 100% participation at the next Benefit Fund Raiser.

Virginia H. Dennis  
Chairman

\*\*\*\*\*

### SPECIAL ATTRACTION

I think it is worthy to mention that Frank Davis, Natick, MASS sent extra money. He requested wood be purchased & be auctioned. The successful bidder would receive an additional surprise of 25 pcs. of wood by writing him. This item brought some lively bidding; but in the end, the winner was Allan Nystrom, Seattle, WA. The high bid was \$5.75 for 3 piece sets each for a 1940, Twin Falls, Idaho, 1949 Shreveport, LA. and 1949 Tecumeeh, MI. Thanks Frank and Allan.

## BANQUET/AUCTION MEETING

Twenty-seven members and quests attended the IOWMC Banquet/Auction Meeting held at the Seven Seas Lodge Patio Room on Thursday August 18. Those in attendance were: Tom & Ruth Armstrong, Corky & Awanda Ayers, Marion Beardsley, Toni Cichy, Joe & Mae Clarke, Dale & Mary Cushin, Audrey Davis, Wayne & Virginia Dennis, Adam Fritzel, Mary Frey, Elsie May, Trudy Miller, Allan & Nina Nystrom, Ken Paulsen, Herb & Dorothy Simon, Ruby Threlkeld, C. H & Agnes Wilkerson, John and Elizabeth Woodward.

Table favors were a double treat- IOWMC's and DWMC's. DWMC's banquet was cancelled and several of their members joined us in our activities. A good time was had by all and the food was delicious. At least we had nothing but praise from everyone.

Several members brought auction lots--so a lively time was had. Many of the items up for auction have never been advertised in the past - Wayne Dennis was auctioneer and was assisted by Corky Ayers.

DWMC's sold tickets for their door prizes. Do not know the outcome of this but everyone had a good time and all seemed pleased with their winnings.

The club received 10% commission of all the auction material sold, which came to \$15.25.

M. Wayne Dennis  
Chairman

\*\*\*\*\*

### WOOD SALES

Available at the meeting were back issues of IOWMC's woods and souvenir programs. Total sales at the meeting was \$13.50.

Received the latest Pres. wood (Dot Mack) and these are available for 50¢ each plus SASE. All you new members -- still available are back issues for same price. Souvenir programs cost \$1 plus postage.

These are available by writing to Virginia Dennis, 1852 Golden Shadow Drive, Henderson Nevada 89015. Don't forget to send postage. Lately many of the members are forgetting to do so.

As your 1982-1983 Wood Chairman was very pleased with total sales for the year-nearly \$300.00. Lets sell the remaining wood. All proceeds help the organization.

All door prizes were mailed the following day in San Diego. Hope all have received by now and that you are pleased. Sent notice to Dot Mack and they will mail quilt to W. Kennedy. Also requested the Mack's to take money from Benefit Fund to mail the quilt.

This finalizes my report. Just hope that I have not overlooked anyone; if I have please accept by apology, as it certainly is an oversight if I have.

Thanks to each and everyone of the members who helped make this a successful event. As long as we have dedicated members like you, I.O.W.M.C. will continue to be a great organization.

Virginia H. Dennis  
Chairman

The following items were donated but did not sell at the annual meeting in San Diego, CA. This "Mail Bid" sale will be for the benefit of IOWMC. Starting bids must be \$1.00 & all successful bidders must pay the postage. Write to Chairman, Virginia Dennis, 1852 Golden Shadow Drive, Henderson, NV 89015. These items were donated by Joe & Mae Clarke, Clarence Kramer, and G. A (Corky) Ayers.

EXPENCES AS TREASURER IS MY DONATION

RESPECTFULLY SUBMITTED

N. R. MACK TREASURER IOWMC

FROM YOUR PRESIDENT

I'd like to thank all the IOWMC members that have voted for me. I will work hard for our club and try to please all. Yet this is something few have done, yet I will try and do my best to work hard for all.

As far as a committee I have people in mind but I won't have a complete list until hopefully the next issue of Chips. I've been given so many suggestions of who to have that I must study all. I must also write to all and see if they will accept to serve for the next year. I need good workers as we have a very busy year ahead of us. So it will be better to say no, to a job if you don't have the time to help.

Our biggest job is to get busy on how to make money for the 20th anniversary. Anyone has any suggestions, please write as you may have a good one. We need each and everyones help, so I'm asking you all for your help. Lets make this anniversary the best ever. We need your help on auction material and door prizes. So start looking around on what you can donate for this happy occasion. With out the help of all the IOWMC members it can't be done. In the next Chips my committee for all this should be ready. Right now I myself have to learn what can be done. I have not heard from anyone on this from past officers. If I should know something on this, please write. As far as I know nothing has been done. Remember suggestions are all welcomed from all.

Also any member who has a good idea for a wood which we can sell and make money on, please write to me and let me know. We need to make some money fast. I have some ideas in mind but you may have a better one. So why not send in your idea as it may be the one we need.

Anyone that has a complaint, please write to me and lets talk it over. I'll do my best to help you.

I'd like to thank Wayne and Virginia Dennis and Mr. and Mrs Corky Ayers for the outstanding job they did on the IOWMC auction at the annual meeting. It was the first time I saw Wayne and Virginia at work and believe me they really did a nice job on all. I know the secretary also did a very nice job on the by-laws at the meeting. So thank you Toni Cichy. God Bless all the IOWMC members who have helped to make the IOWMC meeting a success that it was.

I'd like to have all the officers answer their business letters at once as that the job of all good officers. I hope I get a good committee worker for all jobs. I'm now waiting to hear from a few. I will give a few days for them to answer if they are interested. As the time goes so fast I have to push for quick answers. The deadline for Chips means just that. So if you receive a letter from your president, hope you answer at once. If you can't accept a committee write and let me know, as no harm done. We then can ask someone else.

I did ask Barbara Trace to stay on her job as Portrait Chairlady as she does an outstanding job of this and gets her work sent in on time for Chips. This is a must for all committees. Keep up the good work Barbara as we need good workers like you. Thanks for staying on for me.

If anyone out there that wants to help out in any way, please write to me as we may have a job for you. Remember IOWMC needs you all.

Our deepest sympathy goes to the family of Charles W. Patterson of Leesville, La., from all the officers and members of IOWMC. Charles passed away in June. I had met him several times at the A.N.A. conventions and he enjoyed all his clubs. We will miss you Charles.

San Diego was nice of what I saw but I guess your own state is the best place to live in. I for one was glad to go home. Yet we are getting ready for next year for Detroit, Michigan. God willing we will see you there.

President Sally Kirka

WILLIAM J. KENNEDY SR.

IOWMC # 1478

BREMERTON, WA.

I was born on December 4, 1905 in Alma, Kansas. After finishing grade school I worked for two years on a cattle ranch in western Kansas. In 1923 I went to work as a painter apprentice in the Santa Fe Railroad coach shop in Topeka, Kansas.

In 1923 I married Florence Mix whom I met while working in Kansas. In 1928 we moved to Novato, California. Five years later we were back in Topeka, Kansas to be with my wife's sister who was dying of cancer.

The great depression was in full swing. In 1941 we moved to Bremerton, Washington, where I went to work for Puget Sound Naval Shipyard. I spent the next thirty-one years painting ships and hacking a home out of the wilderness. I retired in 1972.

I have collected a few coins, but it is too expensive for my income. I started collecting woods in 1980. I collect anything but mostly coin clubs, churches, drug stores and coffee chips - Sambos ect. I belong to six clubs and enjoy my monthly papers and Coin World. I belong to NYSWMS, IOWMC, CAWMC, TWMS, CWMA and MATCA. I also collect key chains and 1¢ checks. I have read about and heard from a lot of friendly people collecting woods. I wish I could meet some of them.

October 17<sup>th</sup> we celebrated our 59<sup>th</sup> wedding anniversary. I have a wonderful wife, five wonderful children, 19 grandchildren and 11 great grandchildren. I never issued a personal wood. Maybe I can make a 60<sup>th</sup> wedding anniversary issue. I hope so.

## Dear Members:

In a very short time it will be dues due time. I am asking all to PLEASE send your dues to me, the secretary. You see I am the gal with the big black book that marks you Pd. and I am the gal that sends out the membership cards. Sending your dues to me makes life much simpler for me and you will get your cards much sooner. Also, the dedline is Mar. 15th After that I drop those who have not paid. Sending out late notices simply costs the club more postage and hastens the day when we might have to consider increasing the dues as other clubs have already done.

Sincerely  
Toni Cichy  
Secretary

FROM YOUR PRESIDENT

Wow, does a month go by fast when you have a deadline to meet. So I have to make notes as soon as I think of something to write.

First of all I'd like to thank the two people that have helped me the most in the past few weeks. So thank you kindly Toni Cichy and Walter Scott. It was the help I needed.

As of this writing I'm waiting to hear from the few members that I wrote to be on some of the committees. So far two members have declined to be on the committees as they will not be attending the convention and we need someone who can attend. Thomas Armstrong has accepted to be on the nominating committee as Chairman. Also Walter Scott has accepted to make the 20th anniversary booklet, so we do have a good start. I have to write to others and see if others will accept to take on other of the committees. If your interested please write.

If any member out there is sick, please let me know so I can tell the members. You know yourself when your sick a card or letter helps you get better quicker. So far I have received word that Sarge Noel has been rushed to the hospital and is a very sick man. Also word has been received Hal Kingery, Alvin Pharo and Tex Ryder are also on the sick list. If you have the time why not send all a get well card, as this helps all to get better more quickly knowing that someone cares. I know I do. Our prayers go to all of you as we do care. God bless you all.

Our deepest sympathy goes to Arthur B. Beagley Jr. and his family on the death of his mother, from the officers and members of I.O.W.M.C. If those of you who would like to send a card would do so. You'd be surprised how a card will help.

I'd also like to thank Walter Scott our IOWMC Editor of Chips on the nice job he did on Chips. Keep up the good work. If you have a good article on wooden money, please send it to the editor. He needs everyones help on this. Please type or write clearly so it can be read. Also don't forget that deadline as its a must. If its late it wont get in untill later. If you want good articles, then help us all by writing in. Its your club so lets all work together.

When you sit down this Thanksgiving, say a prayer of thanks for all the nice members out there in IOWMC. Remember God gives this friendship free to all of us. I know as I met some very nice people in IOWMC.

Also thanks to Barbara Trace for those portrait articles she sends in. Shes right on the ball and I think was the first to send in her article. Thanks for your help as I know its appreciated by us all. As I saw the floods in Arizona I was real worried about Barbara Trace as she just had moved there when the flooding had started. I'm waiting to hear from her now. I hope and pray she and her husband are alright.

I would like to see in next issue of Chips the names of the people who want to trade Christmas wood. Not all members have Christmas wood made every year. I know the past two Christmas I had sickness in the family and also a death in the family. Believe me Christmas wood was not on our mind. Yet one or two wrote me I didn't return one, but I had so much on my mind that I didn't have time to order any. I think it would help all if you want to trade Christmas wood with others, send your name to Editor and he can make a list and put it in the DEC. issue. I think this would help all and not embarrass those that cant have any made.

If you have a wood of any kind for sale, trade or what ever, let the Editor Walter Scott know. Theres always someone interested in your wood. If anyone has a new issue of wood also let the Editor know.

I'm still waiting for someone to send me some good ideas to make a nice wood we can sell to make money for IOWMC 20th anniversary. Remember your help will be appreciated as this is your club.

Now I'd like to wish you all a Happy Thanksgiving. So enjoy your turkey with your loved ones this year. God Bless you all.

Sally Kirka, IOWMC President

Editor Note: This artical was first submitted by Stan Brown LM-11, Later by M. Wayne Dennis HLM-19 and last by Wilbur W. Cochran #1154. Due to space not available it is late being published. Thanks to each of you. It was retyped and set up by Dennises.

## PORTLAND, MAINE - 350th ANNIVERSARY

In 1630, two English settlers, in the New World, founded a small settlement at the mouth of the Spurwink River on Cape Elizabeth in Maine. Two years later they were ordered to leave the property by the agent of two English merchants who had obtained a conflicting grant to the same land. Although they refused, they realized the necessity of finding a new location. In their search they located a choice site a few miles to the northeast on a large peninsula jutting into Casco Bay. The peninsula, called Machigonne ("great knee" in Indian language because of its shape), has become the hub of Greater Portland, a metropolitan area encompassing the cities of Portland, South Portland, and Westbrook, plus the towns of Cape Elizabeth and Falmouth. 1982 marks the 350th Anniversary of the Founding of Greater Portland.

The history of Portland is rich in events and people. Yet the greatest achievement of Portland is that it survived. The community was repeatedly destroyed only to constantly rise again.

By 1675, 40 families had settled in Machigonne. Although there were sporadic Indian attacks on outlying areas, the town itself seemed secure. In September 1675, a large Indian force suddenly attacked the town itself. The town's survivors fled to the Islands of Casco Bay for refuge,

The town was re-settled in 1678; and by 1688 had grown to over 600 inhabitants. Spring of 1690, the French began gathering a large force of Indians to pursue their fight with the British. In May this force attacked the town. The residents fled to Fort Loyal which had been constructed on the peninsula after the re-settlement. Although they held off the attackers for five days, the Captain commanding the Fort realized they could not continue. The French agreed to provide the settlers with an escort to allow safe passage to another nearby English settlement. However when the Captain opened the gates the following day, the Indians swept in unrestrained by the French and began to scalp and slaughter with a vengeance. Only the Captain and four other men held by the French as prisoners were spared and sent to Canada. The town was completely destroyed and lay deserted for over 25 years. It was not until two years after the massacre that a group of militia ventured in to bury

the bleached bones of the dead.

The town was finally resettled in 1716 and quickly grew into a major commercial & shipping center because of its excellent harbor. 1775, an incident occurred that again contributed to the town's destruction. Known as Falmouth at this time, the port was known to openly support the rebel cause in the conflict against British rule. In April, a local Tory was prevented from unloading supplies to outfit ships that were bound for Britain. He appealed to the British Naval Command in Boston and was sent to Royal sloop commanded by Captain Henry Mowatt to supervise the unloading of supplies and the outfitting of the ships. Local members of a radical militia group gathered to oppose the British. Captain Mowatt and two companions were seized by the radicals while on shore. The Captain's crew trained their ship's eight guns on the town and demanded the safe return of the Captain or they would punish the town. The town leaders were able to convince the radicals to release Mowatt on his promise to return and hear their complaints the following day. However, the following day, Mowatt refused to leave his ship and sailed out of the harbor.

That same September, the British Naval Command decided that to control the spreading rebellion they would have to give the rebels a harsh lesson. Five warships were outfitted for the express purpose to bomb, burn and destroy those coastal towns. Included on the list of such towns were Cape Ann, Gloucester, Newbury Port, Portsmouth, Saco, Machias, and Falmouth.

The command of this destruction squadron was turned over to Captain Henry Mowatt. Claiming some of these towns were too spread out for an effective naval bombardment and citing unfavorable winds and currents, Mowatt determined he had only one good choice for the first town to operate in, Falmouth. Mowatt sailed into Falmouth Harbor and gave a two hour notice to the residents. Town leaders negotiated with Mowatt and obtained a delay until the following morning. At that time, Mowatt gave a final notice, a forty minute warning. Then the bombardment began. Townspeople had expected a small display of British anger since their town had not engaged in any armed aggression against the British. Mowatt's bombardment exceeded any expectations. It lasted for eight hours and was

## PORTLAND, MAINE continued

followed by landing parties who torched the remaining buildings. Three-quarters of the town was completely destroyed. All of the store houses to sustain the population in the coming winter were gone; and most of the remaining buildings were severely damaged.

The destruction of Falmouth was decried by both sides. George Washington stated it showed the barbaric attitude of the British toward the Colonies. Voices of opposition were raised by the French and even the British Parliament. The total destruction of Falmouth did spare the other towns on Mowatt's list though.

The town did rebuild; and in 1786, the town was divided with the northern part retaining the name of Falmouth and the peninsula area being incorporated as the City of Portland.

In 1866, Portland planned its largest 4th of July celebration ever, in honor of the newly returned Civil War Veterans. Late that afternoon, a small fire was discovered in a lumber yard. Before firemen arrived, the fire which was believed caused by a carelessly thrown firecracker had spread to a nearby Sugar House and quickly grew fanned by strong winds. The firefighters were hampered by a lack of sufficient water in the city reservoirs and were unable to pump sea water due to the low tide. Finally the firemen attempted to dynamite buildings to form a fire break. The explosion lifted the first building off its foundation, but it settled right back down undisturbed. After 15 hours, the fire halted at a sandy area on the other side of the town. The results: 1500 buildings were destroyed, 12,000 left homeless, over \$12 million in damages. The fire did result in the building of a water system to bring water from Lake Sebago, one of New England's largest reservoirs. The people of Portland, true to the Phoenix symbol they had been bestowed with, began rebuilding.

Today, Portland is a modern city blessed with a rich past, a prosperous life, and a bright future.

On July 10, 1982 a standard 1-1/2" diameter wooden nickel was issued in black for the Portland, Maine's 350th Anniversary. The mintage was 1,000 pieces.

The Phoenix design and reverse legend are symbolic of the determined spirit of the citizens of Greater Portland to preserve and build their community. Four times, as indicated by the four dates on the obverse, the community had been destroyed. Each time the citizens rebuilt their town upon the ashes of the old.

This wooden piece was designed by Mrs. Diane Charest and can be obtained at 3 for \$1.00 and 25¢ for each additional wood ordered, plus a SASE. Write: Mainely Coins, P.O. Box 1058, Westbrook, ME 04092.

INTERNATIONAL ORGANIZATION OF WOODEN MONEY COLLECTORS

VOL. XX

DECEMBER 1983

ISSUE # 11

VIOLA M. THOMAS

IOWMC #1328

SACRAMENTO, CA.

What a surprise to receive Barbara's request for a picture and story, this was quite a honor.

My collecting dates so far back and some have been 'accumulations'. When I was a child, friends and relations gave me girls cups and saucers for birthdays. Now my collection has continued even with some from my mother's collection and is sizeable.

In 1930's when my husband Chas. and two boy-scout sons were collecting stamps, it was work to help soak and sort them. But my most interest later was in coin collecting; becoming a member of our local club, the Calif. State Numis. Ass'n; and A.N.A. held both elected and appointive offices in local clubs.

Helped to organize the Ration Token Collectors Society, with both a Charter and Life Membership; and did considerable research on Rationing.

Then branching into Seals, both Tudercular and Easter Seals of the U.S. and world, Red Cross stamps which I have researched the history of each in my collection wich was work yet very enjoyable.and in to such clubs.

Over the years had aquired Wooden Nickels, but usually put them away without much interest until given a collection of Sambo's that a truck driver collected in his travels; then I took off with more Sambo's, Historical ones of bridges, churches and monuments, ect.

It spurred interest in my church, the Wesley United Methodist Church, to issue a Wooden Shekel in 1978. I did the research from the Bible and Numismatic Books; and we sent a mimeographed sheet with each order that we sent out, which was appreciated by those ordering them.

IOWMC WOODS/SOUVENIR PROGRAMS

Just a reminder-still have past issues of IOWMC woods and souvenir programs. Past President's woods cost is only 50¢ each plus SASE. Souvenir program cost is \$1.00 plus 36¢ stamp. This programs depicts all wood issues from 1964 to 1978.

The "special" post card wood issues are still available to commemorate the ANA/IOWMC. meeting in Boston, MA - Price: \$1 for uncanceled ones and \$1.25 for pre-canceled issues.

Send all inquiries to Virginia Dennis, 1852 Golden Shadow Drive, Henderson, Nevada 89015. Please, don't forget to send a self-addressed stamped envelope. Thank You.

Stan Brown, Past president of IOWMC. attended the Pittsburg, PA. coin show and West Virginia "Kausha Vally coin show" on Holloween weekend. Dropped on down to visit with Mrs Clara "Bush" Shanklin and Charles A. Shanklin. Stan was very disapointed to find Kausha Valley C.C. issued no wood .

George and Mary Louise Hill, are enjoying retirement and have visited quite a few woody correspondants, Scotts Md. Wildasins AZ. but failed to find Dennises NV. at home at time. Reported little luck locating D.Q. woods but did locate a few vedio game tokens.

Macks, obtained a new home but retain the same address.

The Wildasins, did not return to PA. this summer as for years, due to physical problems and were missed be the PWMS. club meetings.

Barbara Trace, now lives in a comdo overlooking a golf course after years in the big city.

Wedding Bells have rang for a couple of our members and believed a couple more soon I'm sure we wish them much luck.

Sgt. Omer F. Noel, wishes to notify all of his friends, Due to outstanding medical cost he will not have any Holiday Wood or send cards this year. He is sqrry but that is the way the cookie bounces, Writes; I had a close one this time. I am picking up slowly 10/27/83

Dear Members: I want to thank those who have sent in their dues early (so far 98 as of 11/16/84). Keep them coming as that is what keeps the club going. Also, for those who have not listed their specialitys in collecting, you might list that on the back of the form that Scottie put in last Chips. If we don't know what you collect we can't help you out. Also, keep the dues coming to me, your secretary so that I can keep my books straight. Hope everyone has a nice Holiday season. My woods haven't arrived yet but are on order.

Sincerely  
Toni Cichy  
Secretary.

Patron's and Ads are coming in rather good for IOWMC. 20th Anniversary Souvenir Program. The income will determine how much of the club's history that can be included in it. Members taking a part in it will be appreciated by a great many in our clubs future. (Editor)

Jack Huggins Printing, is having a great deal of a problem in obtaining the type of wood he uses for members orders. Several have notified your editor, two as following.

\* \* \*

Hi: Greetings to one and all. As most of you know that it is a pleasure for me to Swap Greetings on Wood Flats - Afraid that they will be late if at all this year. As my supplier has informed me that he is having Quite a problem obtaining the wood - and it will be more then likely late for the Christmas of - 1983. Have asked him to proceed as soon as he can tho - So may be better late then not at all.

Best  
Stan Brown

Editor:

Due to unfor seen events my Xmas Wood Calenders are ordered and it will be some time before I recieve them. Regardless - how late I will mail them as soon as they are recieved.

Your Presidents Message:

A Very Merry Christmas to all the IOWMC officers and members out there. May you all have a Happy Day with your loved ones. May Santa be good to all to.

With the Christmas rush on I know every one is busy. If you think of it remember your 1984 - IOWMC dues are now due. Make out your check to IOWMC and to no one else. Please do not send cash as this could get lost on the way. So send by Check to be on the safe side. All dues are to be sent to the Secretary, Toni Cichy, 74 Thelma Irene Drive, No. Kingstown, RI. 02852. We all will appreciate your help on this.

We need good articles on wood all the time and this helps us all. Send your article to Editor as I know he will appreciate hearing from you. If you have a new issue of Wood or know of one for sale, why not write and let the Editor know. Its a good way to share or sell your wood for yourself or your club. As there are many collectors of all new issues out there. So help, help on this, as we need your help of each other.

I hope many of you sent cards to the sick members of our club. Remember it could be you that is sick. A card or letter does help a lot as it shows we take the time to say "How are you and we do care." If you know of any member who is sick, please let me know, as I care. Theres so much sadness around so lets all help each other this way.

I still dont have all my committees yet as so many say they cant help. I do have some maybe, out there. What we really need is a Chairperson of our 20th anniversary? If anyone out there would care to take on this job, lets hear from you. The Chairperson must attend the convention in Detroit and he or she will be in charge of the whole affair. I had a good person in mind but they had to decline as cant make the convention So any one interested, please write to me as we need everyones help on this. So lets see who will be the first to say I'll help. A club that works together, stays together.

I hope that Barbara Trace's husband is much better now. She wrote me he was very sick and just came out of the hospital and I was sorry to hear this. Our prayers go with you both Barbara. I havent for gotten you Barbara, but had some problems in my own family. So things were sad all the way around.

Keep smiling folks and remember Christmas is the time to be Merry. Lets hope its the Happenest Christmas ever with all of you. God Bless You all.

Dear Friend: (I hope)

Enclosed find a letter for you to tear it apart or even me. Just so I get your opinion, which will be confidential (if you desire). Some additions and corrections can be made. However, I am trying to get some opinions before putting it in the "Chips". (if they - will publish it.)

Hoping to hear from you as soon as possible, as much is to be done. However, KEEP SMILING.

Sincerely Yours,

Clarence C. Kramer

#### HE WALKETH TALL

A tall thin man for the love of an interesting hobby, a feeling for compassion of fellow collectors, felt the need and all alone with NO CRUTCH to fall upon, decided to have a wooden money show.

With confidence he did, having the best and the largest display of varieties of wood ever seen in one show. If one man can run a very successful show. CAN ?????

Yes, Mr. Wells, you can walk tall, as all alone you have proven true wooden money collectors do want shows. True, I expect to be criticized for my thoughts, but before you do. look in the mirror.

For a long time, with no publicity, I have been trying to get I.O.W.M.C. officials to have their own convention with a wooden money show - with NO CRUTCHES. I have had the confidence that I.O.W.M.C. was independently big enough to have their own convention.

A thought, one year between the Mississippi river and the West coast and the next year to the East coast, according to the membership geographical - no big cities - no prizes - no awards - only a wood show, business meeting and a banquet - no long speeches.

With cost of mailing - stamps - ect., P.W.M.S., New York, Tenino and Calif. board of directors would try to get one bulletin. "Chips" the board of directors (I.O.W.M.C.) could work out a plan for the benefit of all concerned. Times are changing and MODERATION is a must to survive.

#### WHAT THEY SAY:

Less personal bickering - more attention to the hobby - name of game is work - dedication to promote a show - stop criticizing the doers - not always to travel great distances - one news letter - central editor - hope I can be of service - attend the A.N.A. over the wood convention - a smaller setting with better prices - dates well in advance - your last sentence, clubs don't get together will eventually fall by the way-side - several club bulletins - sets of officers is for the birds - Yes, my mind is the same - just know many others feel the same way - sure hope we can do this thing - as time and conditions change we need to change with them - wood bulletins go to the same people - a periodic wooden money convention - ideas before the membership - I am open minded and hope others are the same - a separate entity and wood show independent of the A.N.A. - on the tail end of program - have Qualified persons to judge - get one mailing and one bulletin of the hobby only - one big wooden money convention - Bus, plane and train to convention site - convention rather expensive, fat wallet in your pocket - wooden nickel auctions just drag on too long - not one lasting for hours - am all for your suggestions - single bulletin for the hobby - include our Canadian friends - clubs into one national organization - regional groups or chapters - you have my support - your ideas have a lot of merit - cost of meetings extremely high - smaller cities perhaps at half the cost - yes - no frills - no speeches - no prizes. bring people together - a fun time - economy would be a great benefit - hope our W/N hobby keeps solvent - hard workers needed - get little credit - go for it - thought for years the same as you - stand on our own two feet - some are just happy to belong - won't turn a hand to see anything become a reality - four directions - east, West, North and South, brouse and swap sessions - cost factor is increasing - a change in order to survive - who will take the reins and do it - a show each year without crutches - this won't be easy, but can be done - at least the ones that do show up will be W/N collectors - ones who enjoy the hobby - the public is not interested in a w/n show - But as a collector are you ??? - District for members - by states - or areas.

#### TO WHOM

I do not have an obsession on collecting wood, it is a hobby, a pleasure and a past time. Thru the years it has helped me thru meeting and making friends, pen pals and also easing the tensions of everyday life.

Continued on next page

Continued:

I would like to thank the people that answered my letter - four did not answer. I did not mention names in what they had to say, all letters are in my possession. All agreed with the idea - now - when can it be accomplished - as soon as possible - not years in the future - it may be to late. At this stage of the game, this is not for the individual desires (it is for all members) or ones who cannot see the modernization to modern times and events. If an individual desires to attend any other meeting or show that is their prerogative.

How many members have figured out the cost to exhibit at the ANA according to their rules, which is a must. How many members have displayed wood at the ANA - as for me only once. Many times I have displayed my wood at events, but - would be NON-competitive, to encourage other wood collectors to exhibit.

I would like all IOWMC. members to think very seriously, as all costs are spiraling. Why not check the cost of your clubs printing, postage and above the cost which does not include the work of the volunteers (doing an excellent job) sorting, folding, stapling, addressing, etc. A new Money book - the cost - plus return - is not worth the effort. WHY - the main problem is that there is no central place to send all the new issues or unlisted woods. Mr Wilt, IA. is doing a fine job on these woods. Do you think we need one? I have tried twice in "Chips" and asked people to send their unlisted wood to me, which would be put in the "Chips" for all members. RESULTS: - NO unlisted woods - WHO is to blame?

We must find the right format for moderation - Are you ready and willing to take a stand when the hobby welfare is on the line? Get involved and participate. Send your (good or bad) letters to me - you must state if you desire your name to be used. Why not? Any letters with any type of derogatory remarks (only excerpts) will be published.

AMAZING - I received two hints or inquiries about a show.

*Clarence C. Kramer*

Who Was Johnny Appleseed ??

The Johnny Appleseed Festival, traditionally held the second weekend after Labor Day on the square in downtown Lisbon, Ohio. Pays tribute to Massachusetts native John Chapman who owned nurseries in Penn, Indiana and Ohio.

After a legendary fractured skull from a kick by a horse, John Chapman became a wanderer, carrying a knapsack with apple seeds and sprouts which he planted from time to time.

He planted some of the first apple trees in Columbiana County which is now the leading apple producing county in Ohio. His last visit to Ohio was in October, 1842 and he died at the home of a settler at the age of 72 on March 10, 1845, North of Fort Wayne, Indiana.

The village of New Lisbon, was founded in 1803, the same year that Ohio, was granted its Statehood. The village was plotted by Lewis Kinney who set aside lots for a school house, cemetery, court house and jail. Many of the original structures remain including the old stone house on East Washington Street that now houses the collection of the Lisbon Historical Society.

The Lisbon Coin Club, has issued wooden nickels since 1968 to date, for the Festival. In 1953 the town of Lisbon issued wooden oblongs 5¢ blue, 10¢ red and a 25¢ green for their Sesquicentennial.

## Your Steadfast Hobby Guardian

The travel was time-consuming. Room  
and board was expensive. And  
corporate benefits were intangible.  
Yet, when Chet Krause and  
Numismatic News were asked to  
testify at the Olympic coinage  
hearings, they jumped at the chance  
to represent your hobby interests.

Before the smoke cleared, Chet and  
company testified on three separate  
occasions.
